GIVING THANKS (YEAR TWENTY-THREE)

When I became the editor of ***PREVIEWS*** twenty-three years ago, each year around this time, I have acknowledged those things in my life for which I am most thankful. I haven't done this since 2014. So I guess after a few years, I'm due. As per previous years, I'll point out that everyone has their own things for which they're thankful, and these are mine… in no particular order.

I'm thankful for the great bunch of people that I work alongside here at ***PREVIEWS***, in an industry I love, as your monthly host. And these things too...

- I am *thankful*… that I had the opportunity to travel home and be with my mother before she passed in 2017. I miss her every day, and wish she was still around so I could call her and talk about life...
- I am *thankful*… that my good pal Chris Cade, who suffered a debilitating stroke in 2016, has been working to get stronger, and will hopefully once again be joining me and our friends for another great San Diego Comic Con experience next year!
- I am *thankful*… for my West coast pals Mark, Chris, Dwayne, Rob, Ross, Mike, and J.W.!
- I am *thankful*… for my East coast pals Tom and Lisa, Marc, Scott, Mikey, Jeff, Vince, Dave, Rich, and Michel!
- I am *thankful*… to all of you out there, our faithful readers, who make our work here each month worthwhile!

Finally, I am most thankful for my family… my older brother Carl, his wife Diana, their four sons Jeremy, Carl, Dustin and Travis, their wives/girlfriends, and their kids. Many of them grew up without "Uncle Marty" around for many years due to my East Coast address, but I am always welcomed home and truly feel the love when I go home to Sacramento. It helps that I bring a suitcase full of swag, too. Kidding… kidding! I can't wait to head back home next year… with a suitcase full of swag!

And so, wherever you may find yourself this month, Happy Thanksgiving to you and all of yours!

Your Pilgrim Pal @ ***PREVIEWS***,

Marty

It's all work *and* lots of fun at the fictional Berke's Comic Shop in our new strip, ***Comic Shop Tales***! Come back each month for a new tale, and go online at ***PREVIEWS***world.com for more strips during the month!

Where The Magic Of Collectibles Comes Alive!

Overstreet Price Guide to Star Wars Collectibles Out Soon

The Overstreet Price Guide to Star Wars Collectibles will be in stores this month, on November 21. The book, which was written by Amanda Sheriff and Robert M. Overstreet, combines the love of *Star Wars* with tons of prices and information about collectibles within the series.

Anchored by extensive content on toys, comics, and movie posters, the book also covers novels, video games, trading cards, theme park exclusives, Halloween costumes, and plenty more. There are interviews with industry pros, features on people like Charles Lippincott and Ralph McQuarrie, and a detailed history of the series.

Ohtani Superfractor Trading Card Sells for $184K

Beckett Goodwin Auctions has auctioned the most significant trading card produced in 2018 – the 2018 Topps Bowman Chrome Shohei Ohtani Rookie Autographs Superfractor 1/1, BGS 9.5, for a record price of $184,044. This price is believed to be the highest auction house sale for a modern day baseball card.

The card, which was valued by industry experts at more than $100,000, was previously on display in the Beckett Media booth during the entire run of the 39th Annual National Sports Collectors Convention in early August. Fans and collectors who traveled to Cleveland were able to photograph and see the card before it crossed the Beckett Goodwin auction block.

Exploding Comics with Baby Boom

Created by Roy Thomas, Dann Thomas, and Todd McFarlane, Baby Boom made her debut appearance in *Infinity Inc.* #17 in 1985. She is one of six genetically mutated children that formed the Helix. The discredited Dr. Amos Love experimented on fetuses to prove if superhumans could be created while in the womb.

Love's tinkering was successful, and Baby Boom gained the ability to cause explosions with the power of her mind through a form of telekinesis. Unfortunately, in messing with her genetic makeup, Love caused her to physically stop aging. Although she is chronologically a young woman, Baby Boom still looks like a five-year-old child.

Please tell us a bit about yourself!

I have been writing, drawing, editing and publishing comics for over 20 years. A few years ago, while working as an editor at Dover Publications, I started focusing on rescuing lost and forgotten comics and graphic novels, in an effort to give them a second life with future generations of fans. I recently left that position to launch my own imprint called "It's Alive!", where I focus on publishing not only reprints, but new material as well. The first two publications from my new imprint, *Red Range* by Joe R. Lansdale and Sam Glanzman (FEB170492) and *Sax Rohmer's Dope* adapted by Trina Robbins (MAY170550), came out through IDW Publishing.

What are your favorite projects you've contributed to over the past decade?

Going back to before I launched my own imprint, the two collections I am most proud of putting together are *The Puma Blues* by Stephen Murphy and Michael Zulli (DEC171527) and *U.S.S. Stevens: The Collected Stories* by Sam Glanzman (JUL168691). These are two of my largest and most historically important collections, and both were nominated for Eisner Awards. It's also worth noting that Glanzman's *U.S.S. Stevens* collection contains the first biographical comic book stories ever told in the history of mainstream comics. I am honestly very humbled to have helped these incredible creators get their stories back in print. But of course, that's how I feel about all of the 30+ collections I have edited over the last several years.

What are you currently working on?

From my It's Alive! imprint there is Sam Glanzman's *Voyage to the Deep* collection (OCT180726), and the *Family Man* graphic novel by Jerome Charyn and Joe Staton (STL101654), both from IDW. Also, I am now delving into my first comic book reprints, with true stories from WWII, as told by none other than master comic book storyteller and WWII veteran, Sam Glanzman. The first of these, *Dunkirk: From the Pages of Combat* with a retailer incentive cover by Walter Simonson (SEP181845) was in the September ***PREVIEWS*** catalog, followed by *Midway: From the Pages of Combat*, with a retailer incentive cover by Russ Heath (STL103837) which you can find in this month's catalog. Also in this issue, we have the graphic novel, *The Silver Metal Lover*, by Trina Robbins, with a foreword by Gail Simone and afterword (plus retailer incentive cover) by Colleen Doran (STL103844). Out of print since its initial publication in 1985, it's a graphic novel adaptation of the book by brilliant novelist Tanith Lee, and tells the story of a young girl in the far-flung future who falls in love... with a robot!

What fun titles are you reading?

I read a lot, but it's hard not to with all of the amazing stuff being published these days! It really feels like we are experiencing a comic book renaissance of sorts! Off the top of my head... Emil Ferris' *My Favorite Thing Is Monsters* (DEC161677), Jillian Tamaki's *Boundless* (MAR171733), *Black Eyed Kids* by Joe Pruett and Szymon Kudranski (AUG161115), Junji Ito's *Yon & Mu* (AUG151589), Noah Van Sciver's *Fante Bukowski* (MAY151359), Cathy Malkasian's *Eartha* (JAN171767)... the list goes on and on! One highlight for me is the work of a brilliant comic book storyteller named Joe Ollmann. I love all his work, particularly his most recent graphic novel biography of the controversial 1930's travel journalist William Seabrook, entitled *The Abominable Mr. Seabrook* (NOV161505).

Once you write a character for years, its hard to read that character by others, no matter how talented. It just never matches the voice you heard. When I'm finished writing a character, I just wait till I work on them again, and ignore everything in-between. Nothing personal.

Nicholson gave us the narcissistic maniac. Ledger was almost a supernatural force of chaos. Leto was a sociopathic, eccentric gangster. Like a Dick Tracy villain. I THINK, based on Phoenix's prior work, his Joker will be much more of a tragic, SOMEWHAT sympathetic figure.

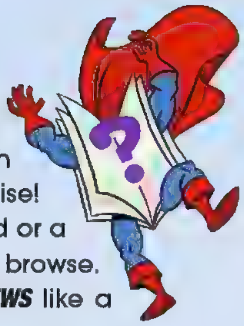
Learn How to Use *PREVIEWS* to Order From Your Comic Shop!

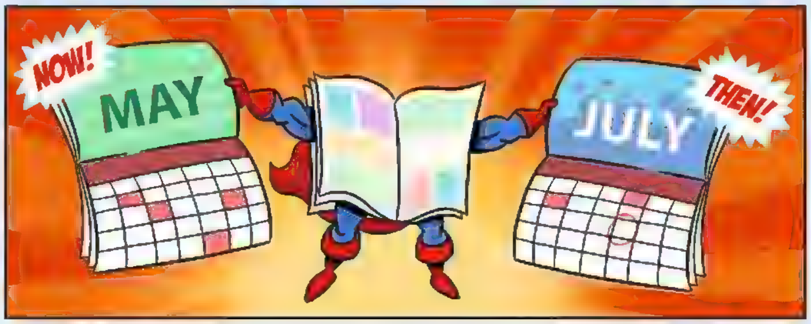
USER'S GUIDE



There's *a lot* of awesome comics and products to look through in ***PREVIEWS***. "A lot" might be a bit of an understatement, as each month's catalog is filled with hundreds and *hundreds* of pages of upcoming comics and related merchandise! It can be easy to accidentally overlook a new series you've been dying to read or a figure you've been pining to add to your shelf when there's so many things to browse. That's why we've put together this guide to help you learn how to use ***PREVIEWS*** like a pro to order the awesome titles and products you want!

WHAT EXACTLY IS *PREVIEWS*?

PREVIEWS is part catalog, part magazine (we call it a *Mag-a-log*!) of monthly listings of all of the upcoming comic titles and related products from your favorite publishers and manufacturers in one convenient place. And don't worry—***PREVIEWS*** is organized by publisher and product type (and color-coded to boot!), to make it easy to find and flip to the section or items you're looking for. Each item listing has the information you need, such as format, size, page count, price, release date, stock or item code, and descriptive text, and nearly every listing is accompanied by artwork or images.



NOW!
MAY
JULY
THEN!

The most important aspect of ***PREVIEWS*** to remember is that **items solicited in the catalog are anticipated to ship 2-3 months later** (or more). For example, if you found a comic you wanted in the May issue of ***PREVIEWS***, you can expect to see it turn up in your local comic shop in July. The catalog can be a great resource for figuring out where your favorite comic series is going, or for discovering new ones that you'll want to add to your library—not to mention all the other awesome products!

HOW DO I ORDER FROM *PREVIEWS*?

When you've picked out all of the items you want, you can fill out the **Short Order Form** included in your copy of ***PREVIEWS*** and submit it to your local comic shop. You can also ask your friendly neighborhood retailer about obtaining a **Customer Order Form**, a booklet that contains a complete listing of all the items made available for that month. These forms make pre-ordering your comics and products a breeze and can help your local comic shop decide what to stock in the store for other customers, too! Be sure to also ask your retailer about their **pullbox or subscription service**. Once you've submitted your order, you can sit back and relax, or try to contain your excitement until your comics and merchandise arrive!

CONAN THE BARBARIAN

WANDERS THE EARTH ONCE MORE

Conan the Cimmerian cuts a bloody swathe through the lands of the Hyborian Age as Robert E. Howard's legendary sword and sorcery character returns in Marvel Comics' new *Conan the Barbarian* series by Jason Aaron and Mahmud Asrar!

Thousands of years before recorded history, born in lands we know today as Ireland and Scotland, a warrior arose known as Conan. The waning days of an ice age, the Hyborian Age was a harsh and unforgiving time in Earth's history; life was hard, food scarce, and many lived lives of subsistence and desperation. Conan was one born for this environment, a survivor. From one end of the world to the other he wandered in search of adventure, living by his wits and his sword, finding treasure and slaying monsters, toppling tyrants and battling wizards. Conan wasn't just a hero. Conan was a legend.

Spanning the breadth of Conan's legendary life, Jason Aaron and Mahmud Asrar are creating a new tale of Conan, one that, much like Aaron's work on *Thor*, draws together the threads of his life as chronicled in Howard's original stories to tell a deeper tale. Combining unparalleled adventure, unbelievable wonder, and visceral action, Aaron and Asrar's *Conan the Barbarian* is the comic book for both long-time *Conan* fans as well as newcomers to the sword and sorcery genre.

Weaving an epic tale of magic and myth, blood and sweat, ancient civilizations and decadent kingdoms, Aaron and Asrar's *Conan the Barbarian* marks the start a new era in one of literature's iconic characters. The Hyborian Age summons you this January!

THE PREMIER NAME IN CRIME COMICS – IMAGE'S *CRIMINAL* – RETURNS IN JANUARY

One of the most acclaimed crime comics of the century, Ed Brubaker and Sean Phillip's *Criminal*, returns in January from Image Comics with a new ongoing series!

Teeg Lawless is back in Center City, but he has more problems than ever, problems that fists, brawn, and a little gunplay may not even fix. All of the elements fans have come to know over the years – the gritty subversion of the genre's clichés, the whip-sharp characterization, and the grim outlook – are present in the double-sized first issue.

Discover why *Criminal* is an acclaimed and awarded *tour de force* this January in Brubaker and Phillips' new ongoing series, and be sure to pick up volumes 1 through 7, offered again by Image Comics this month!

"In every generation a Slayer is born..." Twenty years after Joss Whedon's *Buffy the Vampire Slayer* debuted on the WB Network, Buffy the Vampire Slayer returns to comics for a new generation in BOOM! Studios' reimagining of the series for 2019 under the guidance of Whedon!

Your favorite Buffy characters are reimagined, and new allies and enemies are introduced to bring *Buffy the Vampire Slayer* into 2019!

Whether you're a long-time *Buffy* fan looking to rediscover the world of Buffy or a new reader looking for a series about a powerful woman for today, BOOM! Studios' *Buffy the Vampire Slayer*, written by Jordie Bellaire, illustrated by Dan Mora, and overseen by Joss Whedon, is a bloody good time!

TYLER DURDEN'S STORY CONTINUES IN DARK HORSE'S FIGHT CLUB 3™

In 2015, novelist Chuck Palahniuk returned to the world of his classic novel *Fight Club*, later adapted to film by director David Fincher, in Dark Horse Comics' 10-part mini-series, *Fight Club 2*, with artist Cameron Stewart. In January, Palahniuk and Stewart reunite for the next chapter in the *Fight Club* story, *Fight Club 3!*

The novel's unnamed narrator, now going by the name Balthazar, is hiding in a rundown motel while his wife is about to give birth to a child, Tyler Durden's child. But isn't Tyler Durden an aspect of Balthazar's personality? Can Balthazar really hide from Tyler Durden? And didn't Tyler Durden shoot Palahniuk in the head at the end of *Fight Club 2?* This is *Fight Club*, things gets *weird*, and Tyler Durden is going to need Balthazar's help under that old "the enemy of my enemy is my friend" maxim to take down an anarchist collective even anarchier than Tyler is.

Fight Club is back, and with Palahniuk and Stewart writing and drawing, Dark Horse Comics' *Fight Club 3* will be a metafictional trip to remember!

KIERON GILLEN RETURNS TO SUPER-HERO COMICS WITH DYNAMITE'S PETER CANNON: THUNDERBOLT

Raised in the Himalayas, trained by Tibetan monks, Peter Cannon had honed his body and trained his mind so he could harness everything he was physically and mentally capable of achieving. In January, comics readers are reintroduced to Peter Cannon as Dynamite Entertainment launches a new *Peter Cannon: Thunderbolt* series from writer Kieron Gillen (Image's *The Wicked + The Divine*), returning to super-hero comics after five years, and artist Caspar Winjgaard (Valiant's *Doctor Aphra*). Refreshed and ready to put a new stamp on super-hero comics, Gillen and Winjgaard are out to make Dynamite's *Peter Cannon: Thunberbolt* a must-read!

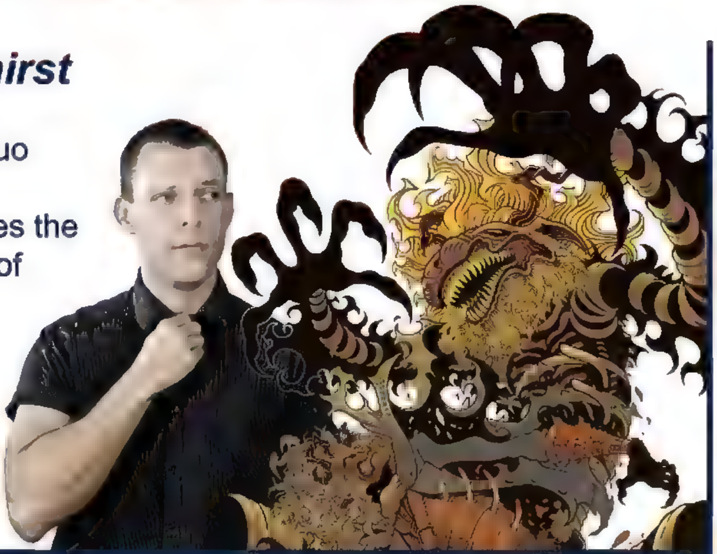
THE ART OF MADNESS: RETURN TO BLOODBORNE!

Bloodborne Vol. 2: The Healing Thirst tells a new story in the world of FromSoftware's gothic gaming horror-action hit, as the creative duo behind the critically acclaimed first arc return! This time readers are in for a prequel that explores the dark secrets behind the Healing Church, the fire of Old Yharnam, and the very earliest plagues...

We caught up with **Piotr Kowalski**, the modern Pickman behind the art of this beastly horror series, to get some insight into a story fans have been thirsting after for years...



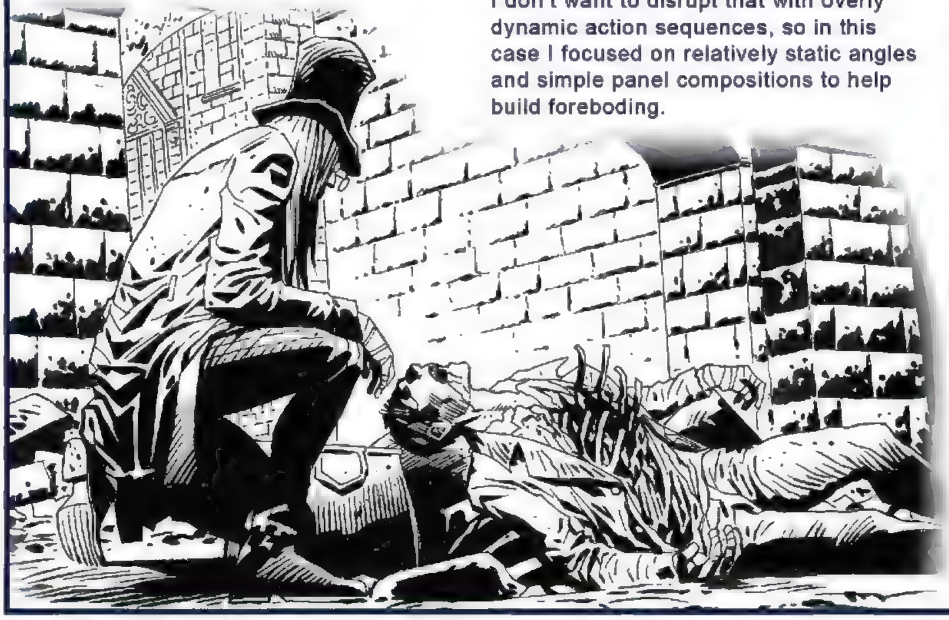
Bloodborne ©2018 Sony Interactive Entertainment Inc.

PIOTR KOWALSKI

Were you a fan of *Bloodborne* before you started work on this comic series?

Piotr In general I don't play video games. I simply do not have the time! So I was totally unfamiliar with *Bloodborne* prior to this project. Ales introduced me to the game, and to all the visual aspects of its world – I played catch up as best I could!

In order to sink deeper into the *Bloodborne* universe I had to absorb massive amounts of original designs, sketches, and images from the game. Fortunately, as a major horror fan I found that the entire visual design of the game matched my own private interests, and I found it easy to mirror the dark atmosphere in my drawings. Or at least I hope I did!



What would you say are the main challenges of drawing for *Bloodborne*? How do you blend horror and action in your artwork?

Piotr The biggest challenge here is striking a balance in details. I love drawing the intricate, gothic architecture that populates Yharnam, even before it became a nightmarish ruin. And you need to be able to draw this kind of horror or mystery comic tale in a very detailed style. On the other hand, you have to be careful – drawing pages that are too busy and over-detailed is never a good thing.

Horror and action are naturally close. However, the way you draw action in horror can alter the entire mood of the story. *Bloodborne: The Healing Thirst* has a calm, gloomy atmosphere, and I don't want to disrupt that with overly dynamic action sequences, so in this case I focused on relatively static angles and simple panel compositions to help build foreboding.

> "AS A MAJOR HORROR FAN, I FOUND THAT THE ENTIRE VISUAL DESIGN OF THE GAME MATCHED MY OWN PRIVATE INTERESTS."

How do you and Ales Kot work together in telling these new stories in an established world?

Piotr Ales is one of those writers who maintain constant communication with the rest of the team. Whenever I need his opinion on a sequence, or any help with a subject, I can always count on him.

This is really important on projects like *The Healing Thirst*, where we are exploring relatively unknown territory. You absolutely want to have a writer like Ales, an author who has a very strong and coherent vision of the entire tale.

> "IN THE HEALING THIRST WE ARE EXPLORING RELATIVELY UNKNOWN TERRITORY... YOU ABSOLUTELY WANT A WRITER LIKE ALES."

Do you have any special messages for fans of your work, or of Bloodborne in general?

Piotr I would like to thank fans of the comic for their support, and for so many positive reviews. Any feedback we get from our readers is priceless. And I have a message for all those who have enjoyed reading Bloodborne comics so far – brace yourself for more!

Check out the Titan Comics section for more information!

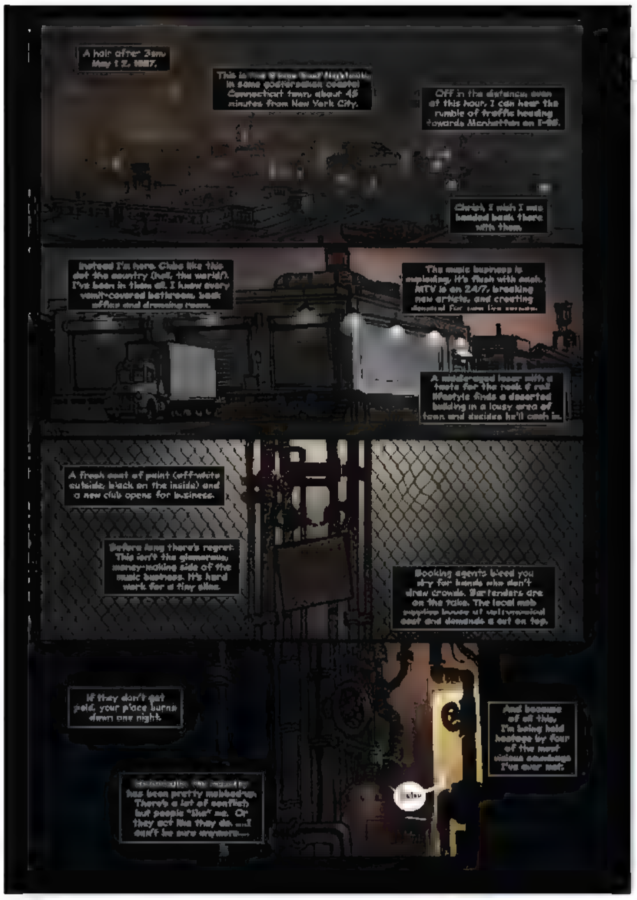
LI'L DEPRESSED BOY, VOL. 1-5 TP
PHONOGRAM HC

If you like Love & Rockets and the behind-the-scenes drama of Mad Men—set within the music industry instead—then you'll love GUNNING FOR HITS.



A hair after 3am
May 12, 1987.
This is … in some godforsaken coastal Connecticut town, about 45 minutes from New York City.
Off in the distance, even at this hour, I can hear the rumble of traffic heading towards Manhattan on I-95.
Christ, I wish I was headed back there with them.
Instead I'm here. Clubs like this dot the country (hell, the world!). I've been in them all. I know every vomit-covered bathroom, back office and dressing room.
The music business is exploding. It's flush with cash. MTV is on 24/7, breaking new artists, and creating demand for new live venues.
A middle-aged loser with a taste for the rock & roll lifestyle finds a deserted building in a lousy area of town and decides he'll cash in.
A fresh coat of paint (off-white outside, black on the inside) and a new club opens for business.
Before long there's regret. This isn't the glamorous, money-making side of the music business. It's hard work for a tiny slice.
Booking agents bleed you dry for bands who don't draw crowds. Bartenders are on the take. The local mob supplies booze at … cost and demands a cut on top.
If they don't get paid, your place burns down one night.
… has been pretty … There's a lot of conflict but people "like" me. Or they act like they do. …I can't be sure anymore….
And because of all this, I'm being held hostage by four of the most vicious … I've ever met.

I'm in the music business, an A&R guy. It's my job to sign bands. Even the very best of us only have a hit about half the time. I figured out how to do a little better.
This is how bands negotiate record deals. It's my job to take some of their talk, some sense to them, and close.
I'M A WEASEL. TELL ME DIANE, WHAT DO YOU WANT?
WE WANT A 6 MILLION DOLLAR DEAL
YOU WILL MAKE US MILLIONAIRES.

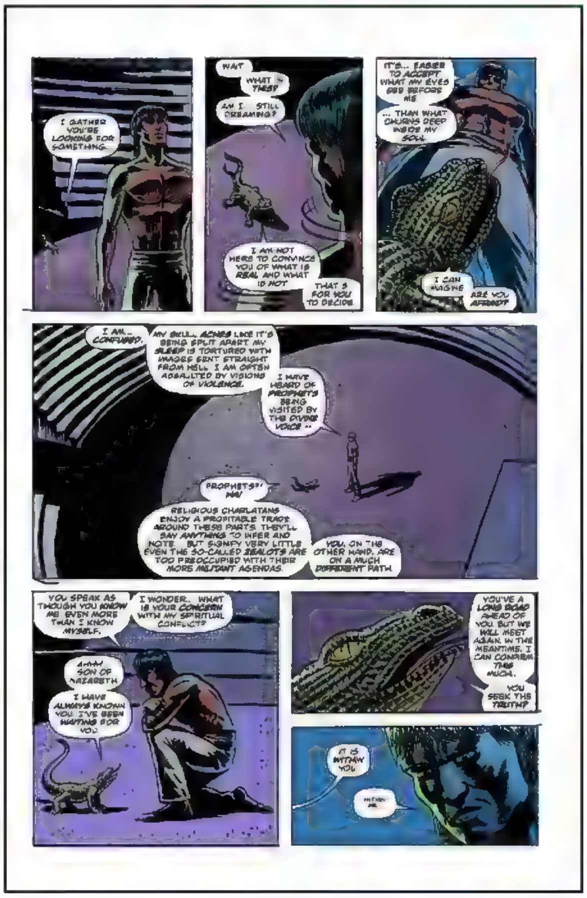
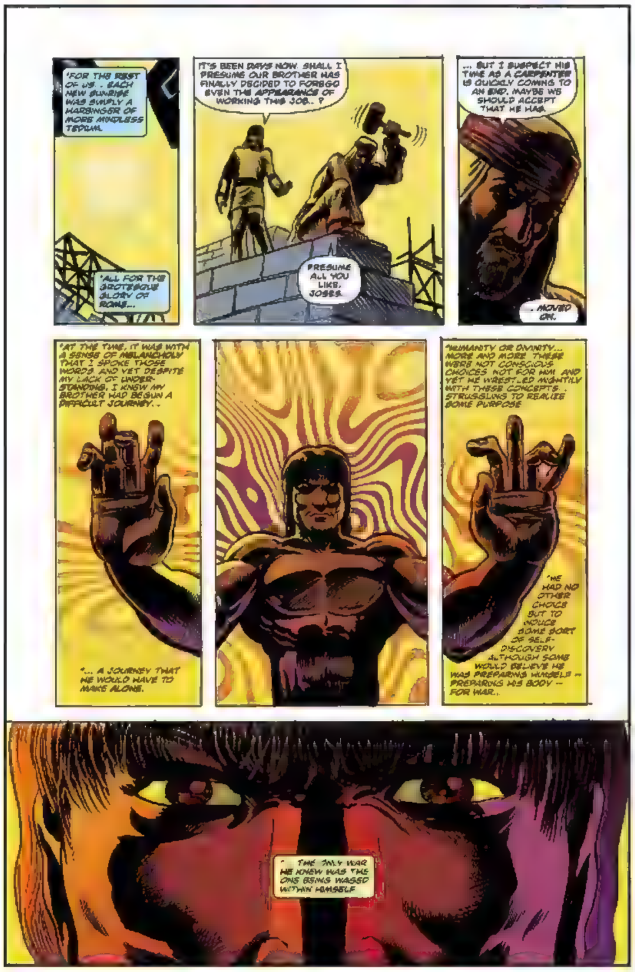
"I THINK HE KNEW WHAT THE BURGEONING METROPOLIS REPRESENTED... THE ABSURD DISPARITY BETWEEN THE RICH AND THE POOR. HE WAS NOT BLIND TO THE INJUSTICES OF THE MODERN WORLD.
"THE ROMAN MERCHANTS... THE GREEK-SPEAKING GENTILES... EVEN THE JEWS WHO WOULD MAKE THEIR HOME HERE WOULD WORSHIP AN EMPEROR OF FLESH JUST AS SOON AS THEY WOULD THE CREATOR OF ALL THINGS. MAYBE MORE SO, IN MANY CASES.
"THESE SO-CALLED NOBLEMEN HAD BEEN BROKEN... UNWITTINGLY STRIPPED OF THEIR TRUE FAITH BY A FAR-OFF BUREAUCRACY.
"WHAT DID IT ALL MEAN...
"... TO HIM... AND TO US...?
"HE NEEDED ANSWERS.



I GATHER YOU'RE LOOKING FOR SOMETHING.
WAIT
WHAT IS THIS?
AM I... STILL DREAMING?
I AM NOT HERE TO CONVINCE YOU OF WHAT IS REAL AND WHAT IS NOT.
THAT'S FOR YOU TO DECIDE.
IT'S... EASIER TO ACCEPT WHAT MY EYES SEE BEFORE ME.
... THAN WHAT CHURNS DEEP INSIDE MY SOUL.
I CAN IMAGINE.
ARE YOU AFRAID?
I AM... CONFUSED.
MY SKULL... ACHES LIKE IT'S BEING SPLIT APART. MY SLEEP IS TORTURED WITH IMAGES SENT STRAIGHT FROM HELL. I AM OFTEN ASSAULTED BY VISIONS OF VIOLENCE.
I HAVE HEARD OF PROPHETS BEING VISITED BY THE DIVINE VOICE --
PROPHETS?! HA!
RELIGIOUS CHARLATANS ENJOY A PROFITABLE TRADE AROUND THESE PARTS. THEY'LL SAY ANYTHING TO INFER AND NOTE... BUT SIGNIFY VERY LITTLE. EVEN THE SO-CALLED ZEALOTS ARE TOO PREOCCUPIED WITH THEIR MORE MILITANT AGENDAS.
YOU, ON THE OTHER HAND, ARE ON A MUCH DIFFERENT PATH.
YOU SPEAK AS THOUGH YOU KNOW ME EVEN MORE THAN I KNOW MYSELF.
I WONDER... WHAT IS YOUR CONCERN WITH MY SPIRITUAL CONFLICTS?
AHHH... SON OF NAZARETH.
I HAVE ALWAYS KNOWN YOU. I'VE BEEN WAITING FOR YOU.
YOU'VE A LONG ROAD AHEAD OF YOU. BUT WE WILL MEET AGAIN. IN THE MEANTIME, I CAN CONFIRM THIS MUCH.
YOU SEEK THE TRUTH?
IT IS WITHIN YOU.
WITHIN ME.



"FOR THE REST OF US... EACH NEW SUNRISE WAS SIMPLY A HARBINGER OF MORE MINDLESS TEDIUM.
"ALL FOR THE GROTESQUE GLORY OF ROME...
IT'S BEEN DAYS NOW. SHALL I PRESUME OUR BROTHER HAS FINALLY DECIDED TO FOREGO EVEN THE APPEARANCE OF WORKING THIS JOB...?

... BUT I SUSPECT HIS TIME AS A CARPENTER IS QUICKLY COMING TO AN END. MAYBE WE SHOULD ACCEPT THAT HE HAS...

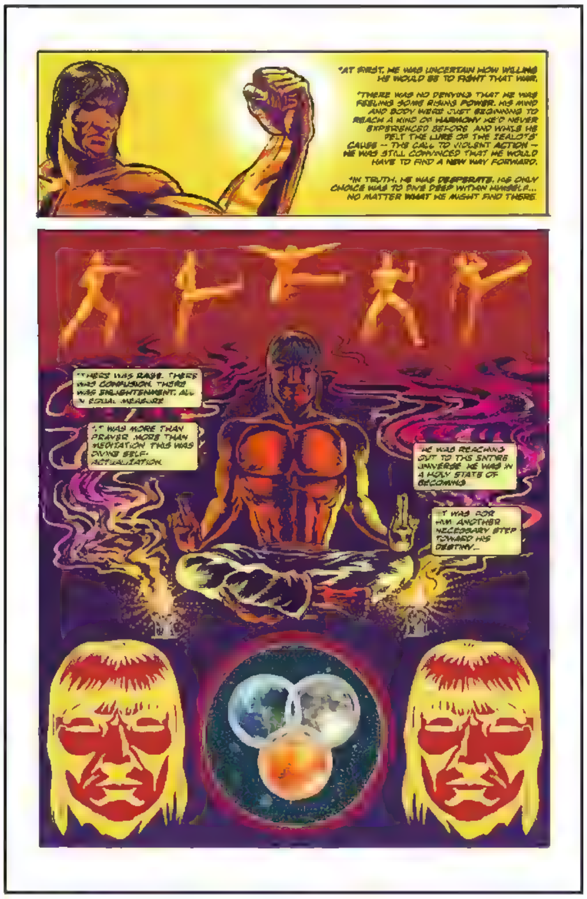
"AT THE TIME, IT WAS WITH A SENSE OF MELANCHOLY THAT I SPOKE THOSE WORDS. AND YET DESPITE MY LACK OF UNDERSTANDING, I KNEW MY BROTHER HAD BEGUN A DIFFICULT JOURNEY...
"... A JOURNEY THAT HE WOULD HAVE TO MAKE ALONE.
"HUMANITY OR DIVINITY... MORE AND MORE THESE WERE NOT CONSCIOUS CHOICES, NOT FOR HIM. AND YET HE WRESTLED MIGHTILY WITH THESE CONCEPTS... STRUGGLING TO REALIZE SOME PURPOSE.
"HE HAD NO OTHER CHOICE BUT TO INDUCE SOME SORT OF SELF-DISCOVERY. ALTHOUGH SOME WOULD BELIEVE HE WAS PREPARING HIMSELF -- PREPARING HIS BODY -- FOR WAR...
"... THE ONLY WAR HE KNEW WAS THE ONE BEING WAGED WITHIN HIMSELF.



"AT FIRST, HE WAS UNCERTAIN HOW WILLING HE WOULD BE TO FIGHT THAT WAR.
"THERE WAS NO DENYING THAT HE WAS FEELING SOME RISING POWER. HIS MIND AND BODY WERE JUST BEGINNING TO REACH A KIND OF HARMONY HE'D NEVER EXPERIENCED BEFORE. AND WHILE HE FELT THE LURE OF THE ZEALOTS' CAUSE -- THE CALL TO VIOLENT ACTION -- HE WAS STILL CONVINCED THAT HE WOULD HAVE TO FIND A NEW WAY FORWARD.
"IN TRUTH, HE WAS DESPERATE. HIS ONLY CHOICE WAS TO DIVE DEEP WITHIN HIMSELF... NO MATTER WHAT HE MIGHT FIND THERE.
"THERE WAS RAGE. THERE WAS CONFUSION. THERE WAS ENLIGHTENMENT. ALL IN EQUAL MEASURE.
"IT WAS MORE THAN PRAYER, MORE THAN MEDITATION. THIS WAS DIVINE SELF-ACTUALIZATION.
"HE WAS REACHING OUT TO THE ENTIRE UNIVERSE. HE WAS IN A HOLY STATE OF BECOMING.
"IT WAS FOR HIM ANOTHER NECESSARY STEP TOWARD HIS DESTINY...

THE CAPE: FALLEN

writer **Joe Hill, Jason Ciaramella**
artist **Zach Howard, Nelson Daniel**
cover **Zach Howard**

If power corrupts, then surely with great power comes even greater corruption. Writer **Jason Ciaramella** and artist **Zach Howard** uncover new folds in Hill's cautionary anti-superhero tale with a story that takes place between the scenes of the original series. Eric's already killed his ex-girlfriend and (spoiler alert) soon he'll go after his mom and brother. But first he'll go missing for three torturous days. What other atrocities will Eric commit? What violent secrets does the Cape still hide? There's no telling, but the answers to those questions will further underline *The Cape*'s central theme—that no amount of power will make a bad person good.

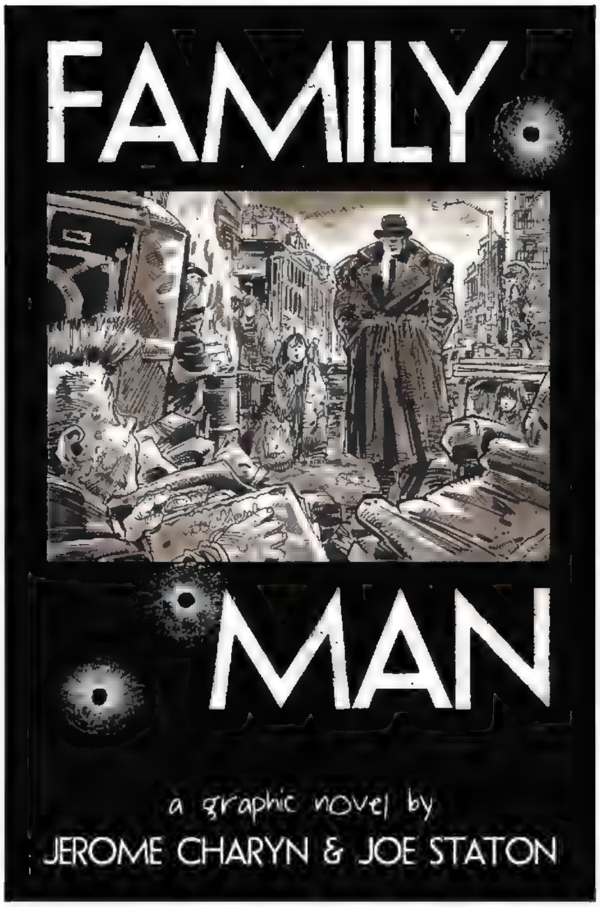
writer **Jerome Charyn**
artist/cover **Joe Staton**



Two brothers: one, a man of God; the other, a man of the Mob. In a city on the edge of chaos, they'll do anything to survive. The story begins in New York City... one hour into the future. Crime runs rampant, rogue cops patrol the rubble-strewn streets, predatory gangs steal anything that isn't nailed down, and the once powerful mafia Dons cower in fear in their tenement prisons. Someone is killing the mob chieftains one by one, and the last survivors call on Alonzo, the Family Man, to hunt down the murderer. But it won't be easy—not when Alonzo's own brother Charles, the gun-toting Monsignor of the corruption-ridden New York City police department, is a prime suspect.

EUTHANAUTS: GROUND CONTROL

writer **Tini Howard**
artist/cover **Nick Robles**

Death is like space: a seemingly unknowable, terrifying blackness that yields incredible discoveries and truths—if only you've got the right kind of rocket ship.

What if suicide isn't a desire to die, but a desire to be somewhere else?

What if there is a place we can go after death, but we have no way to phone home about it?

What if the Freudian death instinct is not destructive... but discovery?

After a near-death experience, lonely funeral home receptionist Thalia Rosewood is recruited into the Euthanauts, a select group of psychonauts, sick folk, and other intrepid explorers who pass over willingly to determine What Lies Beyond. Tini Howard combines her trademark black humor and grounded, realistic storytelling with an otherworldly and mind-expanding exploration of the one thing we all have in common in this collection of the first 5 issues.

Dirk Gently's Holistic Detective Agency is the first in a series of *Everything Is Connected* storytelling games where the mysteries are only as loony as the players. Game designer **Matt Fantastic**'s *Dirk Gently's Holistic Detective Agency: Everything Is Connected* card game begins, as every mystery does, with a crime, a person of interest, and clues. A normal detective and a holistic detective each come up with their own narrative to solve the mystery and the fellow players decide which version of the truth is more believable (or more fun). Based on the hit BBC America television series, *Dirk Gently's Holistic Detective Agency: Everything Is Connected* will have players asking themselves whodunit and how? And why? And where? And what the hell?

There's a galaxy of strategic opportunities at your disposal, and a crew ready for your command in *Rayguns and Rocketships!*

THE X-FILES: CONSPIRACY THEORY – EVERYTHING IS CONNECTED

designer **Matt Fantastic**

"What exactly happened out there, agent?" After another truly unbelievable case comes to an end, Agent Fox Mulder finds himself in a familiar seat: directly across from his superiors at the FBI. While Agent Scully urges him to tell a story that the panel would accept, Mulder's need to believe is just too great.

In *The X-Files: Conspiracy Theory - Everything Is Connected,* players take turns as Fox Mulder as he uses the provided clues to explain his conspiracy theory to his FBI superiors. But reputation is everything at the FBI, and Mulder's superiors are more interested in voting with the room rather than their gut. Mulder weaves together the conspiracy, and the superiors must deduce the way the rest of the room will vote… because the only thing worse than being an outlier is being a nut-case like Fox Mulder.

3-8 players • Playable from ages 16+ • 20-60 minutes • MSRP $29.99 • UPC: 8-27714-01497-6

CHOSEN FOR GREATNESS

WRITTEN BY KIERON GILLEN (STAR WARS, THE WICKED + THE DIVINE)

PETER CANNON: THUNDERBOLT #1

FC | 32 pages | Superhero | $3.99 | Teen + | 1/16

writer: Kieron Gillen
artist: Caspar Wijngaard

His level of genius is matched only by his heroics, and in humanity's darkest hour, he's the hero they need the most—alas, poor humanity. Peter Cannon—the man known as Thunderbolt—is only too happy to leave civilization to face its end. Kieron Gillen (The Wicked + the Divine) teams up with powerhouse artist Caspar Wijngaard (Doctor Aphra) as he returns to the superhero genre with a dark, humorous and relentless love song to the genre.

Well, "Love Song" in a Leonard Cohen Love Song kind of way. Peter Cannon, Thunderbolt: saving a world he hates.

GEM of the MONTH

KIERON GILLEN TALKS
PETER CANNON: THUNDERBOLT #1

Peter Cannon returns! What can fans look forward to in your imagining of the character?

Peter Cannon is an interesting guy. Partially because the (ahem) canon is so relatively small - the sixties issues, the attempted DC integration, the Dynamite mini and that's about it. At the same time, he's a character whose impact has been huge. To state the obvious, you remove Peter Cannon, and you remove Watchmen. So I've looked at all the threads of the characters and tried to find a through-line as directed as a bullet. Plus everything I've ever loved in the genre. High adventure, big ideals, epic destruction, heroism, despair, and nine-panel grids.

On a personal level? I've been away from the genre for a few years. This is me refreshed, grinning and more than a little bit angry. I want to try things. I want to have fun. Hell, we've created a whole new supporting cast of heroes for this series because we wanted to. I wanted to do a state of the art, state of the superheroic nation, and Peter Cannon: Thunderbolt is it.

You're a superpowered writer writing a character with superpowers, how do you identify with Peter Cannon?

I tend to come across as a Labrador of a human, but scratch that surface and I'm as misanthropic as the next writer. The push and pull between my hopes and fears for the species are always there. And Peter Cannon? He's got a lot of that. Hell, Peter Cannon was raised in a far more enlightened society than ours, and now is off in our world. Basically, every episode of the original sixties episode was based around Peter Cannon having his arm twisted by his best mate until he got around to saving the day. "This entire human civilization is awful and dumb. Why on earth is it worth saving?" is the beat that hit, time and time over. That's really unusual for a hero figure.

Do readers need to know anything about the character before picking up the first issue?

Absolutely not. It's an issue one. If you need to know something before picking up an issue one, something's gone horribly awry. We restate and update anything anyone needs to know and give a one issue download of where we see the character. You don't need to know anything about the character, in the same way that you didn't need to know that Peter Cannon was the inspiration for Ozymandias before reading Watchmen. All we ask is an active, engaged mind, and we will do the best to entertain you.

That said, we have delved into the character's whole history. Even in the business side, it's fascinating - he's one of the very few 1960s created heroes which the creator (and now the estate) owns the rights. All that stuff feeds into our choices. I prefer to think of the book as a gateway to knowing more - you'll come out of the book interested in learning more, not feeling the lack.

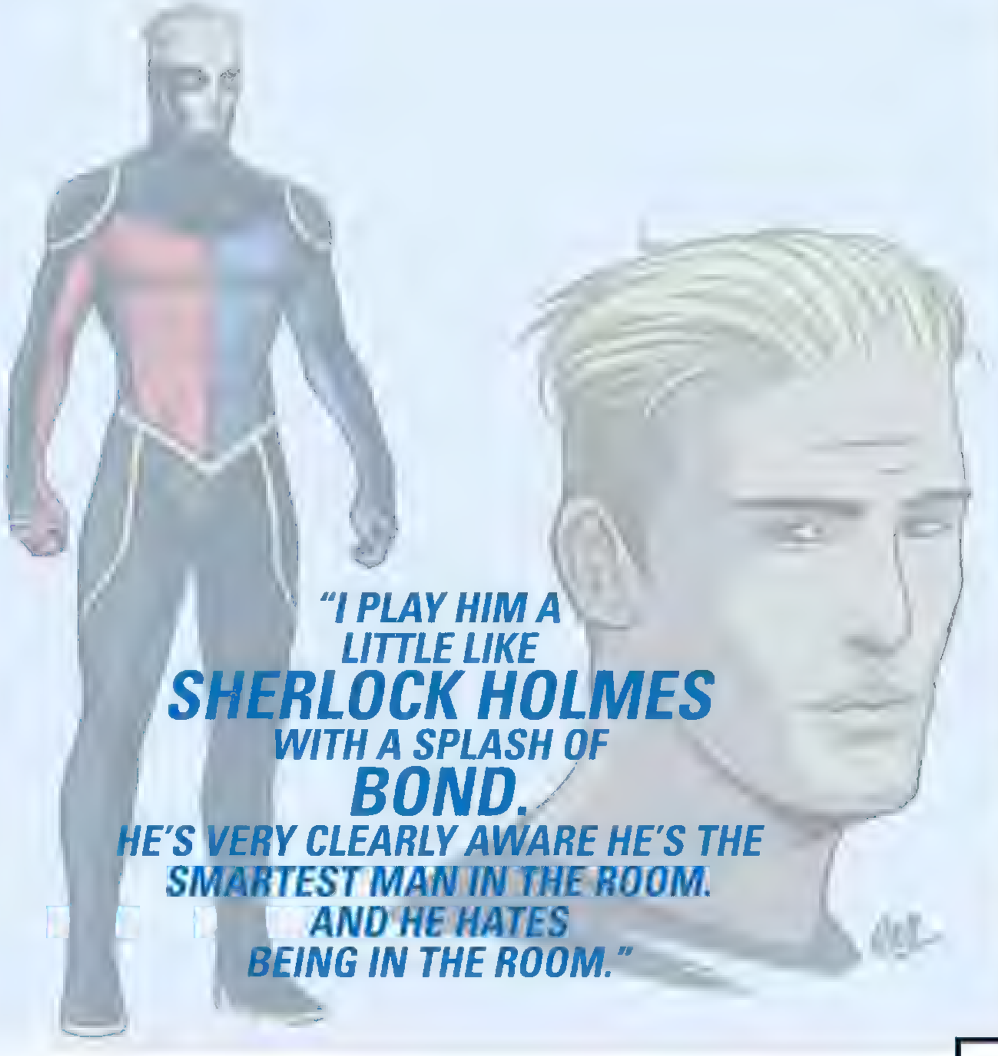
HIS FINAL TEST,
RETURNING TO AND SURVIVING CIVILIZATION

What's your collaboration process with Caspar Wijngaard been like for Peter Cannon?

I've been following Caspar's work since Limbo with Dan Watters, which was a masterclass in the "Hello, here we are, we're great, pay attention to us" kicking-the-door down swagger. He's a strikingly ambitious, notably smart artist, with a writer's creative brain. The word "collaboration" is key. I have written this in an ornate and structured clockwork style, but knowing Caspar would be drawing it, also left room for lots of collaboration and additive ideas. This is something Caspar's great at, knowing that there's a necessary structure but also knowing that it's something we build upon. I imagine that 90% of artists when reading my outline for the series and the demands it would put upon them would run a mile. Caspar's the 1% who would read it and go "HELL YES!"

Anything else you'd like to add?

Honestly, I wish I didn't have to add anything. This is a "Pick up the first issue, we'll take you places" sort of comic. An "Oh my - they're actually doing this" kind of comic. I can't wait to share it and feel lucky that I get to do it.



"I PLAY HIM A LITTLE LIKE SHERLOCK HOLMES WITH A SPLASH OF BOND. HE'S VERY CLEARLY AWARE HE'S THE SMARTEST MAN IN THE ROOM. AND HE HATES BEING IN THE ROOM."

LEAH WILLIAMS TALKS: *BARBARELLA/DEJAH THORIS #1*

Talk about a crossover! Free-Spirited, Free-Roaming Not-Entirely-Human Being on an adventure called "life" meets the Princess of Mars, how did we get here?

A murder investigation leads Barbarella to a mysterious looking-glass device. What she doesn't know is that Dejah Thoris is curiously peering in from the other side. Together, both women embark on a mystery traversing both time and space!

Are you taking any inspiration from any prior histories for either Barbarella or Dejah Thoris for this storyline?

Yes, very much so. Amy Chu and Mike Carey are stewards of the respective Dejah Thoris and Barbarella ongoings, and they have given me really great histories and characterization to work with. Bridging these worlds has been a joy.

What's your artistic collaboration been like for this project?

So far I've been workshopping the story with my editor, Matt Idelson—who is Dynamite's Senior Editor and an all around comics titan—and it's been a blast! Matt is creative and has really amazing ideas, so being able to bounce ideas off each other while we're figuring out how to make a tricky time-travel concept really land with readers has been super fun.

Will there be any special appearances by any other characters?

I have it on good authority that Vix will play a huge role. (Me. I'm the authority, I love Vix.)

Anything else you'd like to add?

There is definitely going to be some romantic tension between the two women while they're working together because Dejah has all the attributes Barbarella is attracted to, and because nothing brings people closer together than mortal peril.

RON MARZ TALKS
TUROK #1

Turok is back! What is it about Turok that inspires you?

RM: You know, Turok is one of those concepts you don't have to overthink or rethink. It's a guy fighting dinosaurs. If you're not up for a guy fighting dinosaurs, I probably can't help you.

As a character with so much history, how do you approach writing Turok in this series?

RM: I wanted to build my Turok story by going back to the original version, not so much in terms of the specifics, but in terms of the spirit. We're not imitating anything that's come before, but we're definitely trying to capture the feel of what made those stories cool. So we have a Native American and his brother, we have a lost land inhabited by dinosaurs and other time-lost denizens. But this is not a specific Turok we have seen before, because we're setting this in the 1880s, in the waning days of the Indian Wars in the Old West.

Will your story play off any previous series?

RM: What we're doing is a ground-floor read, and to a certain extent, a new beginning. I wanted the story and the concept to be completely accessible for new readers. At the same time, we're not putting the lie to any previous iterations of Turok. I don't want to say much more than that, because it's one of the plot points that the story hinges upon. But stick with us and see. We've got some pretty cool revelations in store.

DINOSAURS! What can you tell us about the dinosaurs?

RM: There will be a lot of them. And they will be hungry! Look, I won't lie, a big part of the attraction here is ... dinosaurs! I don't think too many people show up to see Jurassic Park *or* Jurassic World *for the characters. We all want to see dinosaurs because we're really all still 10 years old. That moment in* Jurassic Park *when Sam Neill first sees the dinosaurs? I want to capture some of that magic here. So we'll look at dinosaurs with wonder, and we'll look at dinosaurs with terror.*

Anything else you'd like to add?

RM: No comic writer should ever do an interview without mentioning the art team. Roberto Castro did some sample pages for Turok and frankly knocked them out of the park to get the gig. I really think this is the best work of Roberto's career. And the group of cover artists signed on for the series is just stellar. I'm a lucky writer to be surrounded by such talent.

Noah Hayes (Main)

Welcome to the Georgia O'Keeffe College of Arts and Subtle Dramatics, an historically all-female school whose population is decidedly more drama geek than jock.

Liv, aspiring actor and basketball enthusiast, doesn't understand why she can't be both, but she seems alone in that belief...until Charlie.

Charlie is a recent transfer, a star basketball player, and the answer to all of Liv's problems. She'll stop at nothing to get Charlie to join the ragtag group of misfits that make up their fledgling basketball team.

Carly Usdin *(Heavy Vinyl)* and **Noah Hayes** *(Goldie Vance)* present a touching tale about finding what you're looking for... on and off the court.

IN EVERY GENERATION, **A SLAYER IS BORN**...AND YOUR GENERATION STARTS HERE!

Go back to the beginning as ***Buffy The Vampire Slayer*** is reimagined under the guidance of series creator **Joss Whedon**. Buffy Summers wants what every average teenager wants: friends at her new school, decent grades, and to escape her imposed destiny as the next in a long line of vampire slayers tasked with defeating the forces of evil.

Eisner Award Nominated writer **Jordie Bellaire** *(Redlands)* and Russ Manning Award Winner **Dan Mora** *(Saban's Go Go Power Rangers)* bring Buffy into a new era with new challenges, new friends, and a few familiar Big Bads, as the threat lurking beneath Sunnydale High confirms what every teenager has always known: high school truly is hell.

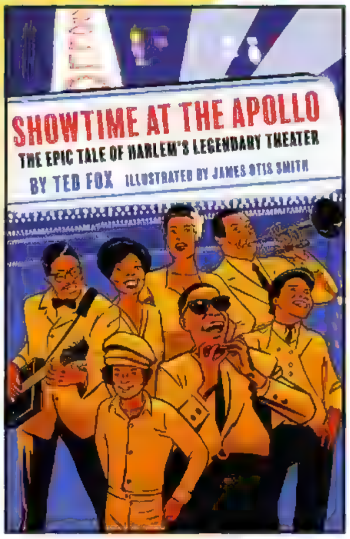
(A) James Otis Smith



SHOWTIME AT THE APOLLO
THE EPIC TALE OF HARLEM'S LEGENDARY THEATER
BY TED FOX ILLUSTRATED BY JAMES OTIS SMITH

Since its inception as an African-American theater in 1934, the Apollo, and the thousands of entertainers who performed there, have led the way in the presentation of swing, bebop, rhythm and blues, jazz, gospel, soul, funk and hip-hop-along with the latest in dance and comedy. The Apollo has nurtured and featured thousands of artists, many of whom have become legends. The beauty they have given the world in their art transcends the hatred, ignorance, and intolerance that often made their lives difficult. Today, the Apollo enjoys an almost mythical status. This graphic novel adaptation of Ted Fox's *Showtime at the Apollo* brings to life the theater's legendary significance in music history, African American history, and to the culture of New York City. STAFF PICK

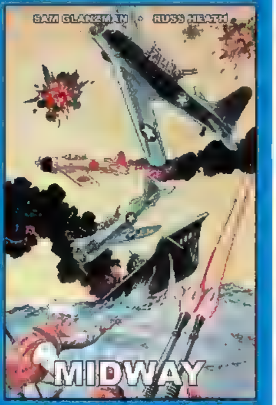
MIDWAY: FROM THE PAGES OF COMBAT ONE-SHOT

Recommended by Steve Leaf



War comics are not the kind of comics you normally pick up at your local comic shop on Wednesdays, but in the days before comic shops you had to search for comics, and war and western comics were as abundant and many times were better than the super heroes of the day. Sam Glanzman is one of my personal favorites, one of the first professionals that ever replied to one of my fan letters. I received a surprise package from Sam, the original cover art to *Combat* and to *Kona* from his work on those Dell Comic titles. While Dell wasn't a regular publisher on my list to purchase, this gift sent me to check them out.

Drew Ford had previously collected Sam's work such as *USS Stevens* for Dover Publications, and he recently began publishing classic comics featuring the work of Sam Glanzman through his It's Alive !! publishing.

Midway is a one-shot reprinting the classic Battle of Midway World War II story from Dell's *Combat* series as illustrated by Sam Glanzman. This story is illustrated as only an artist who lived through a war could visualize it. At 52 pages for $9.99 you truly get bang for your buck. Check with your retailer about the special variant cover illustrated by legendary *Sgt. Rock* and *Haunted Tank* artist Russ Heath.

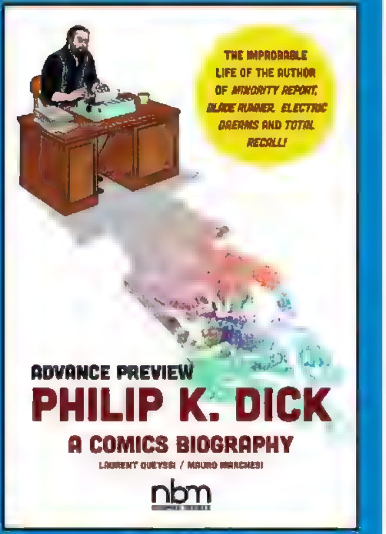
PHILIP K. DICK: A COMICS BIOGRAPHY HC

Recommended by Wink Shörtendorfer



THE IMPROBABLE LIFE OF THE AUTHOR OF MINORITY REPORT, BLADE RUNNER, ELECTRIC DREAMS AND TOTAL RECALL!
ADVANCE PREVIEW
PHILIP K. DICK
A COMICS BIOGRAPHY
LAURENT QUEYSSI / MAURO MARCHESI
nbm

We live in the world Philip K. Dick made. Perhaps best known as the science-fiction novelist who wrote the books behind the movies *Blade Runner* and *Total Recall* and the television series *The Man in the High Castle*, Dick's career spanned three decades, and his work ranged from alien invasions and post-apocalyptic hellscapes to the collapse of reality and even the nature of the divine. Dick's stories touched the numinous, revealing it to be beyond human comprehension and indifferent, if not outright hostile, to human life. His protagonists were ordinary people – plumbers and copywriters, graduate students and record store clerks, door-to-door salesmen and cops – caught up in adventures that challenged their understanding of the world as Dick explored the fundamental question: what does it mean to be human?

Laurent Queyssi and Mauro Marchesi explore the real-life story of Dick in NBM's *Philip K. Dick: A Comics Biography*. Dick's life featured childhood tragedy and poverty, broken relationships and drug abuse, even madness and paranoia. Unable to sell his mainstream fiction, Dick wrote science fiction at a prodigious rate, publishing four or five novels a year at his peak, because it sold but at the cost of his relationships with his wives, his children, and his friends. The demons that haunted Dick came through in his work, and his intuitive understanding of people and the brokenness of the world made his work both timeless and prophetic. To understand the mind behind the dystopian visions of *Blade Runner* and *Total Recall*, read Queyssi and Marchesi's *Philip K. Dick* and discover his tormented life and the art he derived from it.

The Ark has landed.

Shrae struggles to maintain order among the beasts. Now that they no longer rely on the sorcerer for survival, many of the monsters have designs on killing Shrae and his family. A shocking discovery may bond the monsters together once more: they are not the first creatures to set foot on the island.

From writer Cullen Bunn (UNHOLY GRAIL, *X-Men Blue*, *Deadpool*, *Venom*) and artist Juan Doe (ANIMOSITY: THE RISE, AMERICAN MONSTER, WORLD READER) comes a sinister tale of biblical proportions!

Sasha knew sabotage was inevitable. He expected it from the outside — from the other multinational coalitions building ships — but when he discovers sabotage is coming from within, Sasha is on a mission. He and Roger must work together — something they've never been good at — to try to stop the mysterious saboteur before they destroy everything.

Written by Peter Calloway (TV's *Legion, Cloak & Dagger, American Gods*) and drawn by Alex Shibao (*Independence Day*), THE LAST SPACE RACE is an imaginative investigation into wonder, hope and humankind's grandest purpose — a truly original story AfterShock couldn't be more fired up to tell.

THE POST-*POST*-APOCALYPSE REACHES ITS BOILING POINT!

In the forests of hypermodern folklore, a rusted-out warrior raises her fists and beckons to her enemy...is this the final fight for Maria Kamenaya?

Sasha Vasnetsov finally has the tools for his brother's liberation: will, drive, and a stolen war-suit capable of decimating legions. The only problem is, he had to abandon the suit's owner, Maria, to get it. After weeks on the road together, is that betrayal something his soul can handle? Or will he put a pin in his vengeance and turn his guns backward to help a friend...?

From Steve Orlando (*Batman/Shadow, Crude, Midnighter, Virgil*) and Matthew Dow Smith (*October Girl, Suicide Squad, X-Files*) comes a vision of humanity after a disastrous World War of Mechs and Magic.

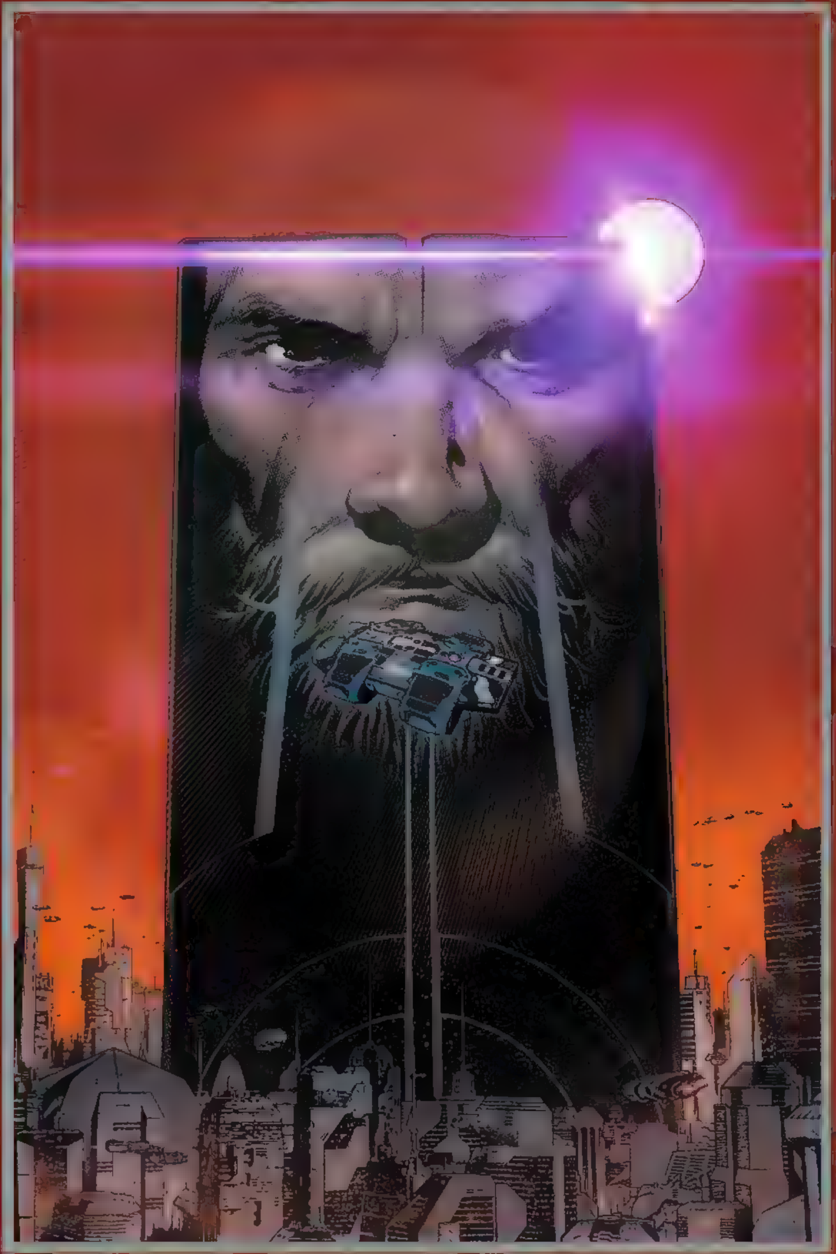
RELAY

ZAC THOMPSON & DONNY CATES / ANDY CLARKE & RYAN BODENHEIM



VOL. 1 TRADE PAPERBACK

"REALITY DENIED"

A perfect future of intergalactic travel and community. Every newly discovered planet is unified culturally through a monolithic structure known as the Galactic Relay. Although the towering monument is meant to inspire conformity of ideas, technology and progress – many resent the foreign structure. Jad Carter, a Relay employee, must keep the peace and act as an emissary to new civilizations. But when he finds the Relay's mythological creator, Hank Donaldson, his idea of reality and the universe shatters.

RELAY is an exploration of monoculture, identity and the deceptive nature of legend, set in a thriving future where humanity forcibly assimilates new worlds.

Written by Zac Thompson (*The Dregs*) from a story by Zac Thompson and Donny Cates (BABYTEETH, *God Country*, *Redneck*) with art by Andy Clarke (REPLICA, *Batman*) and Ryan Bodenheim (*The Dying and the Dead*, *Red Mass for Mars*).

STAFF PICK

THE EXPANSE RPG

Recommended by Matthew Demory

Fans were distraught when earlier this year the SyFy channel cancelled the beloved science fiction series *The Expanse* after only three seasons. Luckily those fans did not have to wait long to learn that the series was being shopped around to various other networks and was picked up by Amazon in very short order. Now while everyone waits for the show to be re-introduced to the world on a new platform fans will have an opportunity to scratch that itch for more content sooner than they realized.

Based on the bestselling novels by James S.A. Corey, this RPG will offer players the opportunity to explore the world of the Expanse from new perspective. This RPG will be based on Green Ronin's *Advanced Game Engine* (AGE) which has been used in the *Fantasy Age RPG* (SEP182807), *Blue Rose RPG* (JAN178132), *Modern Age* (MAR182714) and the upcoming RPG tie-in to the Image Comics series *Lazarus* (MAR182717).

Tired of waiting for season four? Left in the dust without an Amazon Prime account? Like table top RPGs? Be sure to pick up *The Expanse RPG* hardcover from Green Ronin this January!

CICADA HC

(W/A/CA) Shaun Tan

From the visionary Shaun Tan, an inspirational story for older picture book readers and beyond. *Cicada* tells the story of a hardworking little cicada who is completely unappreciated for what he does. But in the end, just when you think he's given up, he makes a transformation into something ineffably beautiful. A metaphor for growing up? A bit of inspiration for the unappreciated striver in all of us? Yes, yes, and more. (STL103208) (C: 0-1-0)

RANDOMVEUS ODC #1

Recommended by Leigh Tyberg

If you've been reading comics for a long time, it can be kind of rare to feel joyful about them. Long-time comics readers and collectors have seen it all. Chrome, 3D, themed, variant covers of every shape and size. We've seen characters on the covers of books that don't even appear in their pages. We've been faked out, let down, aggravated, shocked, disgusted, saddened, delighted, amused… being a comic book fan can be an emotional roller coaster, and for us die-hards, one that, even on the worst days, we're not likely to jump off of.

But then there's that feeling you get when you see a book that just looks like fun. Something you're going to enjoy, something that will make you smile, and be the piece of escapism you may need in times like these. I feel like those kinds of comics are rare, but the ones we should be watching out for.

Randomvues fits that bill.

Meet Raimundo, Bloob, and Melody. They're cousins in a universe filled with flying cars, giant robots, sheepdogs you can ride like horses, and… well… jelly creatures that look like Bloob. Fast, explosive (literally! Lots of stuff explodes!) funny and light-hearted, *Randomveus #1* is a great new adventure, brimming with energy and candy-floss colors that pop off the page.

Step in, fellow humans. We're in for some fun.

And stuff going boom.

The *Star Wars: Millennium Falcon: A 3D Owner's Guide* explores the notorious *Millennium Falcon* layer by layer, modification by modification, and spec by spec in awesome detail. From its compliment of armaments and defenses, to the life support and propulsion, each page details the technology and provides notes and commentary from the many crew members who have piloted the Falcon. Each page of this owners manual is die-cut so they fit together to create a three-dimensional model of the fastest ship in the galaxy embedded within the book. And now, it has been updated to include material from *The Force Awakens* and *The Last Jedi*, making this is the ultimate interactive guide to the ultimate *Star Wars* ship! OUR SUPER ADVENTURE: PRESS START TO BEGIN SC

Recommended by Megan Cosman

Have you ever read something immediately connected to it? Like really connected to it to the point where you feel like you're being observed and written about? That is exactly how I felt when I stumbled upon Sarah Graley's webcomic *Our Super Adventure*. There on the internet was the proof that I wasn't the only woman on Earth who takes the rejection of pet's affection personally or gasps with such intensity over seeing a cute dog from the car window that the driver fears mortal peril. Now with *Our Super Adventure: Press Start to Begin* from Oni Press featuring strips from the hit webcomic diary *Our Super Adventure*, I can keep the printed proof of not being the only person with my own weird quirks on my bookshelf!

This first collection of *Our Super Adventure* chronicles a two-year chunk of life featuring the day to day shenanigans of Sarah, her partner Stef, and their tiny battalion of kitties. Sarah and Stef's relationship jumps off the page, and you immediately feel immersed in their lives. You are essentially a fly on the wall in the flat and get to see how the two live through all their insanely sweet moments together. Instead of a completely unrealistic and dramatic love affair, Sarah and Stef are entirely relatable and make you laugh aloud over their quirkiness. Fans of Sarah's other Oni Press book *Kim Reaper* will be instantly delighted as you can see hints of Kim and Becka peek through in Sarah and Stef. Add in Sarah's signature adorable art style, and what's not to love? How else do you think Kim got such a wicked awesome cat eye? Sarah's been drawing it on herself for years.

Our Super Adventure: Press Start to Begin proves that the best relationships revolve around pizza, video games, and finding the right person who appreciates your weird.

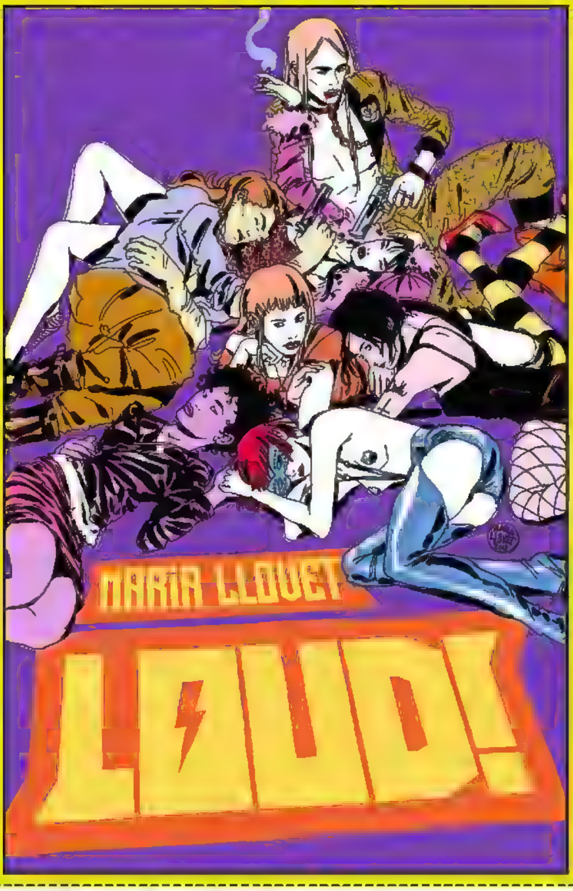
LOUD, Original Graphic Novel

written & illustrated by MARIA LLOVET [$16.99 | HARDCOVER | 104 pgs | Full Color | MATURE]



The LOUD nightclub. A latecomer stripper, a pissed waitress, a hitmen couple, a suspension bondage performer, a pregnant teenager, a clan of vampires, a pedophile, a lesbian junkie, a divorcing middle-aged woman, a sadistic dominatrix, and many other souls in search of love, drugs, and blood converge at the hottest club in town on a night that none will ever forget. If they survive.

LOUD is like THE HUNGER if directed by Tarantino -- a stylish, tripped-out bloodbath of beautiful and vicious decadence.

You'll feel the beat throbbing in your skull, smell the sweat, taste the blood, and lose yourself in the wicked underworld masterfully wrought by MARIA LLOVET.

Lovingly designed for release as a hardbound edition, LOUD is the kind of book that will get into your spine and give you flashbacks twenty years later, you'll turn to your friend and say "remember when comics had guts and creators made books like LOUD?"

PHILIP K. DICK: A COMICS BIOGRAPHY HC

Recommended by Wink Shörtendorfer

We live in the world Philip K. Dick made.

Perhaps best known as the science-fiction novelist who wrote the books behind the movies *Blade Runner* and *Total Recall* and the television series *The Man in the High Castle*, Dick's career spanned three decades, and his work ranged from alien invasions and post-apocalyptic hellscapes to the collapse of reality and even the nature of the divine. Dick's stories touched the numinous, revealing it to be beyond human comprehension and indifferent, if not outright hostile, to human life. His protagonists were ordinary people —plumbers and copywriters, graduate students and record store clerks, door-to-door salesmen and cops – caught up in adventures that challenged their understanding of the world as Dick explored the fundamental question: what does it mean to be human?

Laurent Queyssi and Mauro Marchesi explore the real-life story of Dick in NBM's *Philip K. Dick: A Comics Biography*. Dick's life featured childhood tragedy and poverty, broken relationships and drug abuse, even madness and paranoia. Unable to sell his mainstream fiction, Dick wrote science-fiction at a prodigious rate, publishing four or five novels a year at his peak, because it sold but at the cost of his relationships with his wives, his children, and his friends. The demons that haunted Dick came through in his work, and his intuitive understanding of people and the brokenness of the world made his work both timeless and prophetic. To understand the mind behind the dystopian visions of *Blade Runner* and *Total Recall*, read Queyssi and Marchesi's *Philip K. Dick* and discover the tormented life and the art he derived from it.

In a not-so-distant future where society has changed considerably but the problems often remain the same, a young policewoman from Paris is dragged into a difficult, dangerous investigation that could impact the very future of mankind. Paris, end of the 21st Century. Inspector Romane Pennac is the only white woman in her station. The world has suffered devastating wars and ecological disasters, and the old powers of Europe and America are now the third world. Yet it is toward the young woman, now a member of a discriminated-against minority, that a couple of devastated parents turn. A mysterious letter has just announced to them that the body of their daughter, recently deceased in New York, isn't in her coffin. (STL104790) (C: 1-1-0) **NOTE:** Not available in Germany.

OFF SEASON
JAMES STURM

James Sturm's riveting graphic novel charts one couple's divisive separation through the fall of 2016, during Bernie's loss to Hillary, Hillary's loss to Trump, and the disorienting months that followed. We see a father navigating life as a single parent and coping with the disintegration of a life-defining relationship. Amid the upheaval are tender moments with his kids-a sleeping child being carried in from the car, Christmas morning anticipation, a late-night cookie after a temper tantrum-and fallible humans drenched in palpable feelings of grief, rage, loss, and overwhelming love. *Off Season* is unaffected and raw, steeped in the specificity of its time while speaking to a larger cultural moment. O/A THE GOLEM'S MIGHTY SWING GN

(W/A/CA) James Sturm

Reuniting America's greatest pastime with its hidden history, the graphic novel tells the story of the Stars of David, a barnstorming Jewish baseball team of the depression era. Led by its manager and third baseman, the nomadic team travels from small town to small town providing the thrill of the sport while playing up their religious exoticism as a curio for people to gawk at, heckle, and taunt. When the team's fortunes fall, the players are presented a plan to get people in the stands. But by placing their fortunes in the hands of a promoter, the Stars of David find themselves fanning the flames of ethnic tensions. Baseball, small towns, racial tensions, and the desperate grasp for the American Dream: *The Golem's Mighty Swing* is a classic American novel. (STL042460)

An intricate look at the fall of the Weimar Republic through the eyes of its citizens, *Berlin* will be one of the high-water marks of the medium: rich in its researched historical detail; compassionate in its character studies; and as timely as ever in its depiction of a society slowly awakening to the stranglehold of fascism. IT'S A GOOD LIFE IF YOU DON'T WEAKEN TP

(W/A/CA) Seth

While trying to understand his ennui, Seth discovers the life and work of Kalo, a forgotten *New Yorker* cartoonist from the 1940s. But his obsession blinds him to the needs of his lover and the quiet desperation of his family. Wry self-reflection and moody colors characterize this tale about learning lessons from nostalgia. His playful and sophisticated experiment with memoir provoked a furious debate among cartoon historians and archivists about the existence of Kalo, and prompted a *Details* feature about Seth's "hoax." MOONCOP HC

(W/A/CA) Tom Gauld

The lunar colony is slowly winding down, like a small town circumvented by a new super highway. As our hero, the Mooncop, makes his daily rounds, his beat grows ever smaller, the population dwindles. Depicted in the distinctive, matter-of-fact style of Tom Gauld's beloved *Guardian* strips, *Mooncop* is equal parts funny and melancholy. Gauld captures essential truths about humanity, making this a story of the past, present, and future, all in one. (STL015978)

Cartoonist Sarah Glidden accompanies her two friends — reporters and founders of a journalism non-profit — as they research potential stories on the effects of the Iraq War on the Middle East and, specifically, the war's refugees. Joining the trio is a childhood friend and former Marine whose past service in Iraq adds an unexpected and sometimes unwelcome viewpoint, both to the people they come across and perhaps even themselves. Painted in her trademark soft, muted watercolors and written with a self-effacing humor, *Rolling Blackouts* cements Glidden's place as one of today's most original nonfiction voices. (STL019257)

OUR SUPER ADVENTURE: PRESS START TO BEGIN SC

Recommended by Megan Cosman

Have you ever read something immediately connected to it? Like really connected to it to the point where you feel like you're being observed and written about? That is exactly how I felt when I stumbled upon Sarah Graley's webcomic *Our Super Adventure*. There on the internet was the proof that I wasn't the only woman on Earth who takes the rejection of pet's affection personally or gasps with such intensity over seeing a cute dog from the car window that the driver fears mortal peril. Now with *Our Super Adventure: Press Start to Begin* from Oni Press featuring strips from the hit webcomic diary *Our Super Adventure*, I can keep the printed proof of not being the only person with my awkward quirks on my bookshelf!

This first collection of *Our Super Adventure* chronicles a two year chunk of life featuring the day to day shenanigans of Sarah, her partner Stef, and their tiny battalion of kitties. Sarah and Stef's relationship jumps off the page, and you immediately are immersed in their lives. You are essentially a fly on the wall in the flat and get to see how the two live through all their insanely sweet moments together. Instead of a completely unrealistic and dramatic love affair, Sarah and Stef are entirely relatable and make you laugh aloud over their quirkiness. Fans of Sarah's other Oni Press book *Kim Reaper* will be instantly delighted as you can see hints of Kim and Becka peak through in Sarah and Stef. Add in Sarah's signature adorable art style, and what's not to love? How else do you think Kim got such a wicked awesome cat eye? Sarah's been drawing it on herself for years.

Our Super Adventure: Press Start to Begin proves that the best relationships revolves around pizza, video games, and finding the right person who appreciates your weird.

HOBO MOM

By Charles Forsman and Max de Radiguès

$14.99 / HC / 64 pgs / Two-color / 7" × 8.5"

Hobo Mom is a collaboration by two trans-Atlantic cartoonists; Charles Forsman (*The End Of The Fxxxing World*—now a hit Netflix series), and Angoulême award winner Max de Radiguès (*Bastard*). Both of their styles fit together perfectly to tell a story about an emotionally damaged family and the price of freedom. After becoming a vagrant since leaving her family a few years earlier, Natasha chooses to return and finds an angry husband and a little girl yearning for a mother. Forsman and de Radiguès's *Hobo Mom* explores the ideas of being trapped in domesticity and whether one deserves happiness, even at the cost of others.

THE MARTIAN MONSTER AND OTHER STORIES

By Jack Kamen and Al Feldstein

$29.99 / HC / 160 pgs / BW / 7"×10"

When Jack Kamen's wholesome approach conspired with Al Feldstein's wicked imagination, the results were often futuristic fantasies and romances that could veer suddenly out of control. But there's surprisingly sharp social commentary as well, with stories that foreshadow the threat of climate change as well as contemporary philosophical debates about the perils and morality of artificial intelligence, and much more.

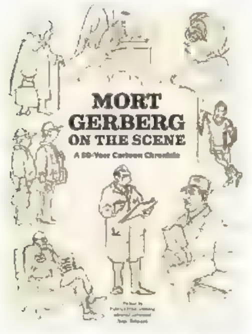
By Joe Ciardiello

$25.00 / SC / 72 pgs / FC / 10" × 10"

In this gorgeous graphic memoir, Joe Ciardiello gracefully weaves together his Italian family history and the mythology of the American West while paying homage to the classic movie and TV Westerns of the '50s and '60s. Featuring Ciardiello's signature sinuous ink line and vivid watercolors, *A Fistful of Drawings* illuminates the oversized characters that dominated the cinematic American West—featuring John Ford, John Wayne, Clint Eastwood, Claudia Cardinale, Sophia Loren, and many, many more. A paean to Hollywood, a love letter to the Western, and a tribute to its Italian influences.



MORT GERBERG ON THE SCENE

Fantagraphics Underground is proud to present a 50-year career retrospective of cartoonist Mort Gerberg, whose social-justice-minded—and bitingly funny—cartoons have appeared in magazines such as *The Realist*, *The New Yorker*, *Playboy*, and the *Saturday Evening Post*. And as a reporter, he's sketched historic scenes like the fiery Women's Marches of the '60s and the infamous '68 Democratic National Convention. This handsome edition collects Gerberg's magazine cartoons, sketchbook drawings, and on-the-scene reportage sketches.

In the summer of 2017, cartoonist Andrea Ferraris and director Renato Chiocca traveled to southern Arizona to witness the tense situation along the US-Mexico border firsthand. Drawing from frank interviews with volunteers at local humanitarian organizations and treks through the Sonoran Desert to save migrants in distress, Ferraris and Chiocca present a compassionate account of how the border wall has changed the lives of those on both sides.

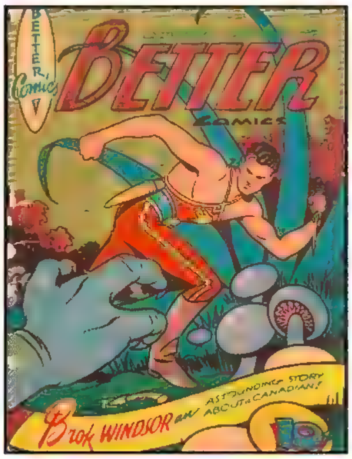
WECA Comics:
The "Canadian Whites"



BETTER COMICS
AN ASTOUNDING STORY ABOUT A CANADIAN!
BROK WINDSOR
10

Even when you've been at this game as long as I have, you can still find out the details of some new, fascinating niche in comic book collecting. A few years ago, in *The Overstreet Comic Book Price Guide* #44, Canadian collector and historian Ivan Kocmarek authored an extensive, intriguing analysis of the "WECA" comics or "Canadian Whites."

Canada entered World War II on September 10, 1939. The U.S. did so on December 8, 1941.

"A year before this, on December 6, 1940, the Canadian Parliament under Prime Minister William Lyon MacKenzie King, in an effort of protectionism, passed the War Exchange Conservation Act (WECA) to bolster the Canadian dollar and the war economy in general. Included in the list of banned imports were comic books," Kocmarek wrote.

"All of a sudden the adolescent and pre-adolescent population of Canada (as small as it was compared to that of the U.S.) became an untapped and captive audience (read: customer base) for comic books that were no longer there. What must be noticed here is that WECA was passed in early December 1940 and that the indicia date of the first Canadian comics to appear (*Robin Hood and Company* Vol. 1 #1 and *Better Comics* Vol. 1, #1) was March 1941. Given the fact that comics usually appear on the stands a month or even two months before their indicia dates, the turn-around time from nothing to finished product is amazing—capitalistic opportunism at its finest," he wrote.

They were called "Canadian Whites" because the interiors were printed in black and white rather than color. These comics were produced from March 1941 until the end of the war, when the return of full-color American Comics to Canadian newsstands spelled the end of their Canadian off-shoots.

For many years, they were a niche collectible, but thanks to Kocmarek and his peers, many have discovered a worthy challenge in collecting these WECA comics, truly a parallel Golden Age. While the market has not been on fire, it has steadily attracted attention, as he noted this year in his market report in *The Overstreet Comic Book Price Guide #48*.

"From the results we've seen in this year's auctions, collectors appear to have become more selective about purchasing these hard-to-find books. Still, their prices are not going to go down and are only going to increase over the long run. They are still a very rare commodity," he wrote. "Looking at the CGC Census figures on these comics while I write this, I can see that not one of the run of the 770 or so individual comics that came out in Canada from 1941-46 has reached a slabbed census count of 10 copies."

Scarce? Indeed!

Known for: Being the first full appearance of Venom, who has since gone on to become one of the most popular of Spider-Man's villains. Venom had actually previously made a brief appearance at the tail end of issue #299. This book also marked the destruction of Spidey's iconic black costume.

Did You Know?: The original Venom was Eddie Brock, a rival journalist to Peter Parker. Eddie, having been professionally humilated, drew the symbiote to himself via his powerful feelings of hatred and despair. After bonding with the symbiote, Eddie and the alien creature took on the name "Venom" because - as Eddie could only find work at a shady tabloid - that's what he "was paid to spew these days!"

RANDOMVEUS ODC #1

Recommended by Leigh Tyberg

If you've been reading comics for a long time, it can be kind of rare to feel joyful about them. Long-time comics readers and collectors have seen it all. Chrome, 3D, themed, variant covers of every shape and size. We've seen characters on the covers of books that don't even appear in their pages. We've been faked out, let down, aggravated, shocked, disgusted, saddened, delighted, amused... being a comic book fan can be an emotional roller coaster, and for us die-hards, one that, even on the worst days, we're not likely to jump off of.

But then there's that feeling you get when you see a book that just looks like fun. Something you're going to enjoy; something that will make you smile, and be the piece of escapism you may need in times like these. I feel like those kinds of comics are rare, but the ones we should be watching out for.

Randomveus fits that bill.

Meet Raimundo, Bloob, and Melody. They're couriers in a universe filled with flying cars, giant robots, sheepdogs you can ride like horses, and... well... jelly creatures that look like Bloob. The Collected Toppi is a seven-volume library of works by Italian illustrator and author Sergio Toppi, widely considered a master of graphic storytelling. Toppi's subject matter covers a wide array of historical periods and cultural settings, which he would bring to life through extensive research combined with a sense of cinematic set and costume design.

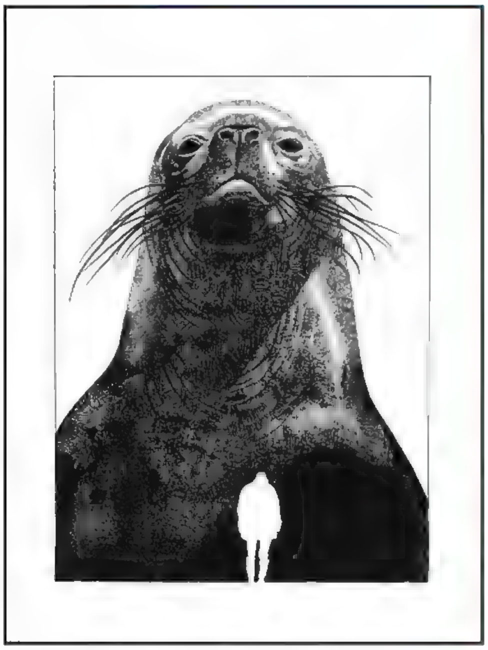
This first volume, *The Enchanted World*, contains eleven tales of high fantasy presented in English for the first time.

This beautifully designed 168-page hardbound graphic novel will feature elegant rounded corners and a foreword from legendary comic artist Bill Sienkiewicz.



AUTHOR SPOTLIGHT

Sergio Toppi was born in Milan in 1932 and lived there until World War II when his family was evacuated due to the fighting. Toppi began his career in the 1950s, working on projects as an advertising artist, animator, and illustrator. In 1966, he collaborated with the writer Carlo Triberti on the character of Mago Zurli. This is widely considered his first work, although Toppi may have done some newspaper comics as early as 1960. From 1966 until his death in 2012, Toppi created many amazing works and is often considered one of the greatest artists to participate in the medium. Long before American audiences could read Toppi's work, they lauded and admired his artistic ability.

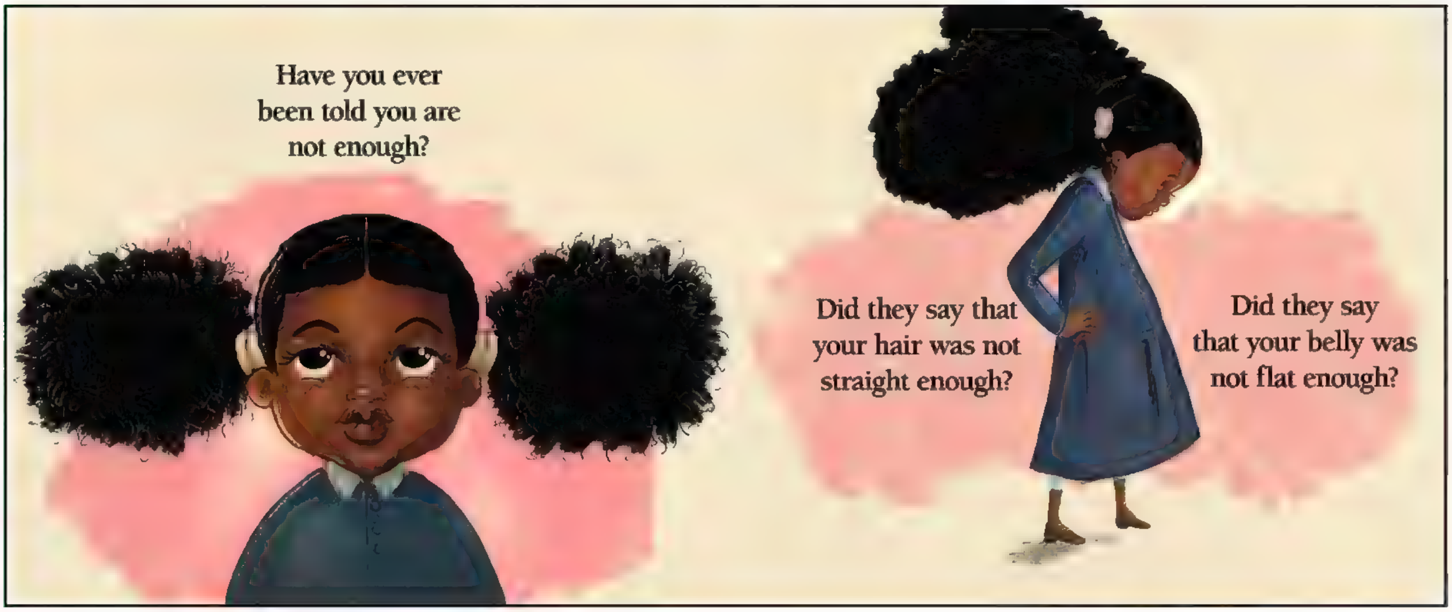
FAST ENOUGH
BESSIE STRINGFIELD'S FIRST RIDE
JOEL CHRISTIAN GILL



Have you ever been told you are not enough?
Did they say that your hair was not straight enough?
Did they say that your belly was not flat enough?

Fast Enough: Bessie Stringfield's First Ride

$17.99 | **FULL COLOR HARDCOVER PICTURE BOOK** 40 pages | **IN STORES FOURTH WEEK** Jan 23

WRITTEN & ILLUSTRATED BY **JOEL CHRISTIAN GILL**

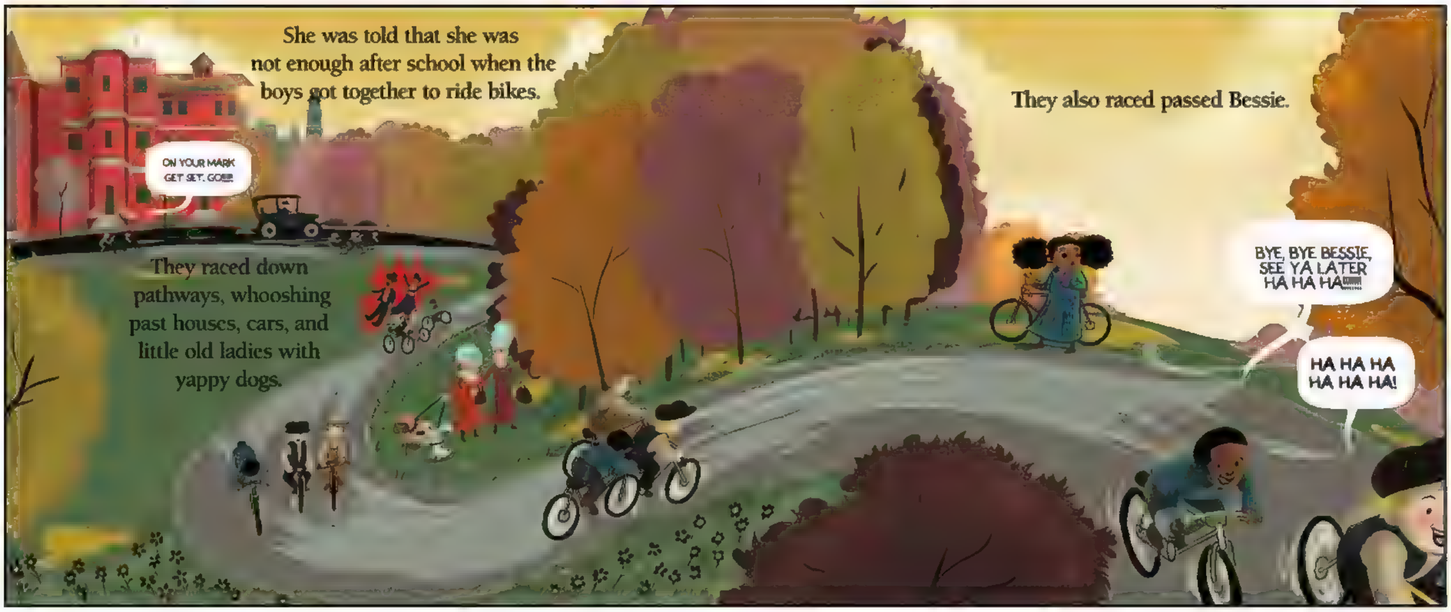
Have you ever been told that you're not enough? That you're not strong enough, tall enough, fast enough? Bessie was told she was not enough.

Bessie dreams of riding her bike with the boys after school, but they tell her she is not fast enough. When she finally gets a chance to race, she proves not only that she is fast *enough*, but she is *faster*.

Fast Enough: Bessie Stringfield's First Ride combines an imagined story of Bessie Stringfield as a young girl with historical facts about Bessie as an adult. Bessie Stringfield went on to become the first African-American woman to travel solo across the United States on a motorcycle. Not only was she fast, but she was a true adventurer, daring to ride to places unsafe for African Americans in the 1930s and '40s. *Fast Enough* is an inspirational story for anyone who's been told they are not enough.

Who is Bessie Stringfield?

Born in North Carolina in 1912, Bessie Stringfield, often called "The Motorcycle Queen of Miami," was the first African-American woman to ride across the United States solo and was one of the few civilian motorcycle dispatch riders for the US Army during World War II. Credited with breaking down barriers for both women and Jamaican-American motorcyclists, Stringfield was inducted into the Motorcycle Hall of Fame. The award bestowed by the American Motorcyclist Association (AMA) for "Superior Achievement by a Female Motorcyclist" is named in her honor.



She was told that she was not enough after school when the boys got together to ride bikes.

They raced down pathways, whooshing past houses, cars, and little old ladies with yappy dogs.

They also raced passed Bessie.

Like the Halls of Montezuma and the Shores of Tripoli, Guadalcanal will forever be a part of United States Marine Corps history and lore. On this rustic South Pacific island, Marines made the first invasion of lands seized by the Japanese in their initial sweep through the region. At stake was air superiority in a wide area of the South Pacific and beyond. The bloody six-month campaign ended with U. S. and Allied victory, but in the process thousands of lives and dozens of ships and planes on both sides were sacrificed. PHILIP K. DICK: A COMICS BIOGRAPHY HC

(W) Laurent Queyssi, Mauro Marchesi

STAFF PICK
See page 242

One of the greatest writers in SF history, Philip K. Dick is mostly remembered for movies based on his works such as *Blade Runner*, *Minority Report*, and *Total Recall*. His dark fascinating work centered on alternate universes and shifting realities in worlds often governed by monopolistic corporations and authoritarian governments. His own life story seems a tussle with reality, going through five wives and becoming increasingly disjointed with fits of paranoia and hallucinations fueled by abuse of drugs meant to stabilize him. His dramatic story is presented unvarnished in this comics biography. (STL104212)

SARTRE HC

(W/A/CA) Mathilde Ramadier, Anais Depommier

For some he was the philosopher of existentialism. For others the constant provocateur, the politically engaged author, the uncertain militant, the repenting bourgeois, the life companion of Simone de Beauvoir. From his first readings in the Luxembourg Garden to his refusal of the Nobel Prize for Literature, Jean Paul Sartre was all of this at the same time. (STL052080)

THOREAU: A SUBLIME LIFE HC

(W/A) Dan A., Maximilien Le Roy

"To be a philosopher is not merely to have subtle thoughts, nor even to found a school, but so to love wisdom as to live according to its dictates, a life of simplicity, independence, magnanimity and trust." This graphic novel biography relates the forward looking inspirational life of the great author, philosopher and pioneering ecologist. Henry David Thoreau was also the father of the concept, still fresh today (see all the recent protests), of "civil disobedience" which he used against slavery and the encroachment of government. THE EXPANSE RPG

Recommended by Matthew Demory

Fans were distraught when earlier this year the SyFy channel cancelled the beloved science fiction series *The Expanse* after only three seasons. Luckily those fans did not have to wait long to learn that the series was being shopped around to various other networks and was picked up by Amazon in very short order. Now while everyone waits for the show to be re-introduced to the world on a new platform fans will have an opportunity to scratch that itch for more content sooner than they realized.

Based on the bestselling novels by James S.A. Corey, this RPG will offer players the opportunity to explore the world of the Expanse from new perspective. This RPG will be based on Green Ronin's *Advanced Game Engine* (AGE) which has been used in the *Fantasy Age RPG* (SEP182807), *Blue Rose RPG* (JAN176132), *Modern Age* (MAR182714) and the upcoming RPG tie-in to the Image Comics series *Lazarus* (MAR182717).

Tired of waiting for season four? Left in the dust without an Amazon Prime account? Like table top RPGs? Be sure to pick up *The Expanse RPG* hardcover from Green Ronin this January!

PRE-CODE CLASSICS: TALES OF HORROR VOLUME 2 HC

(A) Morris Marcus & Various

Small is beautiful and don't let anyone tell you different. Case in point, Toby Press, which also used the imprint Minoan and found fame (of a sort) by getting their knuckles rapped by the EC crew for using Gaines & Co.'s title "Tales of Terror." But they didn't need to pilfer from others with *Tales of Horror*, the (re-titled) magazine's noteworthy homage to the likes of prose stylist John Collier. So take a bow guys, we're in the presence of greatness. ABANDONED CARGO

(W) Bob Salley (A) George Acevedo
After the end of the Galactic War, peace blanketed the galaxy; however, planets with little shipping resources turned to piracy or developed small guerilla military units geared to pillage trade ships. This spawned the necessity for trade companies to hire private security contractors for protection. Even under the security of peacetime, there is no shortage of violence in outer space; from looting raiders, Navy destroyers neutralizing a rebel movement to the simplest space station falling victim to a rogue asteroid. These destroyed or abandoned ships and stations are classified as "WRECKS." Licensed crews are commissioned by governments, empires and corporations to remove these lifeless hulks. In a hostile galaxy, the risk and reward is high for these crews. (STL077380)

arwhal and Jelly are back and Narwhal has a new obsession... peanut butter! He's so obsessed he even wants to change his name to...that's right... Peanut Butter! Ever-sensible Jelly isn't so sure that's the best idea, but is all for Narwhal trying new things (instead of just eating waffles all the time, no matter how delicious waffles are). In this third book, Narwhal and Jelly star in three new stories about trying new things, favorite foods and accepting who we are. Always funny and never didactic, this underwater duo charms again through their powerful combination of positive thinking, imagination, and joyfulness. THE BRITISH SUPERHERO SC

(W) Chris Murray

Chris Murray reveals the largely unknown and rather surprising history of the British superhero. It is often thought that Britain did not have its own superheroes, yet Murray demonstrates that there were a great many in Britain and that they were often used as a way to comment on the relationship between Britain and America. Sometimes they emulated the style of American comics, but they also frequently became sites of resistance to perceived American political and cultural hegemony, drawing upon satire and parody as a means of critique. The Comics of JULIE DOUCET AND GABRIELLE BELL
A Place Inside Yourself
EDITED BY TAHNEER OKSMAN AND SEAMUS O'MALLEY

THE COMICS OF JULIE DOUCET AND GABRIELLE BELL: A PLACE INSIDE YOURSELF SC

(A) Julie Doucet, Gabrielle Bell

In a self-reflexive way, Julie Doucet's and Gabrielle Bell's comics defy easy categorization. In this volume, editors Tahneer Oksman and Seamus O'Malley regard Doucet's and Bell's art as actively feminist, not only because they offer women's perspectives, but because they do so by provocatively bringing up the complicated, multivalent frameworks of such engagements. While each artist has a unique perspective, style, and worldview, the essays in this book investigate their shared investments in formal innovation and experimentation, and in playing with questions of the autobiographical, the fantastic, and the spaces in between. Throughout the first half of the twentieth century, the medium was enjoyed equally by both sexes, and girls were the protagonists of some of the earliest, most successful, and most influential comics. In *Funny Girls: Guffaws, Guts, and Gender in Classic American Comics*, Michelle Ann Abate examines the important but long-overlooked cadre of young female protagonists in US comics during the first half of the twentieth century. She treats characters ranging from Little Orphan Annie and Nancy to Little Lulu, Little Audrey of the Harvey Girls, and Li'l Tomboy, a group that collectively forms a tradition of funny girls in American comics. PANEL TO THE SCREEN: STYLE, AMERICA FILM, AND COMIC BOOKS DURING THE BLOCKBUSTER ERA SC

(W) Drew Morton

Over the past forty years, American film has entered into a formal interaction with the comic book. Such comic book adaptations as *Sin City*, *300*, and *Scott Pilgrim vs. the World* have adopted components of their source materials' visual style. The screen has been fractured into panels, the photographic has given way to the graphic, and the steady rhythm of cinematic time has evolved into a far more malleable element. In other words, films have begun to look like comics. (STL103748) (C: 0-1-0)

THE EXPANSE RPG

Recommended by Matthew Demory

Fans were distraught when earlier this year the Syfy channel cancelled the beloved science fiction series *The Expanse* after only three seasons. Luckily those fans did not have to wait long to learn that the series was being shopped around to various other networks and was picked up by Amazon in very short order. Now while everyone waits for the show to be re-introduced to the world on a new platform fans will have an opportunity to scratch that itch for more content sooner than they realized.

Based on the bestselling novels by James S.A. Corey, this RPG will offer players the opportunity to explore the world of the Expanse from new perspective. This RPG will be based on Green Ronin's *Advanced Game Engine* (AGE) which has been used in the *Fantasy Age RPG* (SEP182807), *Blue Rose RPG* (JAN178132), *Modern Age* (MAR182714) and the upcoming RPG tie-in to the Image Comics series *Lazarus* (MAR182717).

Tired of waiting for season four? Left in the dust without an Amazon Prime account? Like table top RPGs? Be sure to pick up *The Expanse RPG* hardcover from Green Ronin this January!

MIDWAY: FROM THE PAGES OF COMBAT ONE-SHOT

Recommended by Steve Leaf

War comics are not the kind of comics you normally pick up at your local comic shop on Wednesdays, but in the days before comic shops you had to search for comics, and war and western comics were as abundant and many times were better than the super heroes of the day. Sam Glanzman is one of my personal favorites, one of the first professionals that ever replied to one of my fan letters. I received a surprise package from Sam, the original cover art to *Combat* and to *Kona* from his work on those Dell Comic titles. While Dell wasn't a regular publisher on my list to purchase, this gift sent me to check them out.

Drew Ford had previously collected Sam's work such as *USS Stevens* for Dover Publications, and he recently began publishing classic comics featuring the work of Sam Glanzman through his It's Alive !! publishing.

Midway is a one-shot reprinting the classic Battle of Midway World War II story from Dell's *Combat* series as illustrated by Sam Glanzman. This story is illustrated as only an artist who lived through a war could visualize it. At 52 pages for $9.99 you truly get bang for your buck. Check with your retailer about the special variant cover illustrated by legendary *Sgt. Rock* and *Haunted Tank* artist Russ Heath.

ROMANCE MANGA FOR BOYS—HAREMS

By Seven Seas Entertainment

TRUE TENCHI MUYO!
YOUSUKE KURODA
MASAKI KAJISHIMA

JURAI

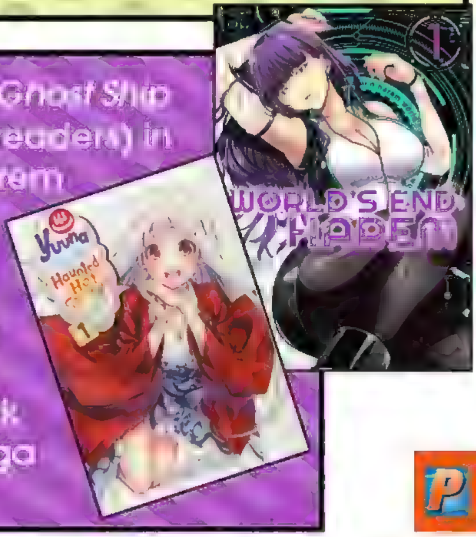
Most readers know that manga can get pretty sexy. But while most romantic fiction in the West is aimed at women, in Japan, manga has a mountain of romantic stories made especially for men.

To LOVE RU
DARKNESS
Yokai Girls
1

One especially popular type of manga for boys is the "harem" genre. A harem manga features a male lead surrounded by a group of beautiful women, most of whom are vying for his affections.

There's also a version of this for girls: a female lead surrounded by handsome boys is called a "reverse harem." And there are LGBT+ harems, too!

The manga/anime *Tenchi Muyo!* from the 1990s is often credited as one of the first series to embody the harem genre as it is today.



Seven Seas Entertainment launched their *Ghost Ship* imprint (publishing sexy manga for older readers) in late 2017, and it currently publishes five harem manga, including *To Love Ru*, *To Love Ru Darkness*, and *Yuuna and the Haunted Hot Springs*.

Whether in manga, anime, or light novels — which have become especially popular in recent years — harem love stories are abundant, so pick one and enjoy! Or pick more than one... since the whole point of a harem manga is plenty of choice!

TOY TALK: SEAN WILKINSON

Toys, Statues and other collectibles don't just magically appear on store shelves. A lot of work goes into the concept, design, sculpting and final production of these items, and many of the people who work behind-the-scenes with companies like Diamond Select, DC Collectibles and Gentle Giant, among others, remain mostly unknown to their appreciative audience: the final consumer.

With *Toy Talk*, we hope to introduce you to the artisans behind some of your favorite collectibles, and to let them enjoy their well-deserved moment in the spotlight!

This month, we welcome Funko Creative Director, *SEAN WILKINSON*...

Toy Talk: Can you describe what you do in your role at Funko?

Sean Wilkinson: Alongside my key partner in developing new products, Ben Butcher, I head up creative and facilitate creative development among our talented team of artists. From start to finish this includes preplanning, making sure everything comes out like it is supposed to, on time and Funko approved.

Toy Talk: Can you describe the typical design process for a Funko POP! figure?

Sean Wilkinson: It starts with obtaining the license. Then our concept designer will draw what it will look like, its pose, props and key elements that make the POP! recognizable. Our first approval from the licenser happens after this stage. Then, our sculptors work in ZBrush to create the original concept and the major character stamps that the concept designer drew. We will submit this sculpt to the licensor for our second approval. Once approved, we then send the 3D files to the factory to create a mold. It takes about 45 days for us to get the hand paints back. Alongside this process, the packaging artist will begin design of the packaging. We'll submit this to the licensor for our final approval and once both the packaging and the painted figure are fully approved we go into production. The licensor will get the first sample and then it's out to the fans.

Toy Talk: Funko recently branched out and introduced the "5 Star" line. Can you tell us what is unique about these figures?

Sean Wilkinson: It's a hybrid between an action figure and an art toy. The playability, posability and articulation of the 5 Star line makes these a fun new take for Funko. It's also a great ironic take of making characters from horror and video games into cute posable figures.

The combination of cute and cool is one of the things that fans look for in Funko toys.

Toy Talk: What has been your favorite license to work with on the creative side?

Sean Wilkinson: For me personally, it's the DC characters like Batman. Warner Brothers gives us a lot of room to be creative with their licenses. With DC we really get to explore the depth of their characters, from the classic retro styling to the most recent comic storylines and movie releases.

Toy Talk: What's your role when Funko goes after acquiring a license? How does creative come into play?

Sean Wilkinson: We barely have to put in requests and suggestions because we have so many licenses already and are always pursuing the next great license. We cover nearly every genre, era and interest in the pop culture universe.

The team is constantly coming up with new ideas, some being totally outrageous. And sometimes we even do the outrageous ideas.

Toy Talk: Do you have a favorite comic book character that you have designed into a Funko product?

Sean Wilkinson: Batman wins always.

Toy Talk: You've been at Funko long enough to see the success of your products, especially Funko POP! line, develop into some of the most popular toys and collectibles on the market. What has that been like?

Sean Wilkinson: I pinch myself a lot when I think about it – certainly it's a *"I can't believe it"* moment. If you told 10-year-old me that I would be doing this, I would have said *"Get lost!"* It's very humbling to see all the Funko fans love what we create. It's what keeps us happy around here. When someone comes into my office and I'm playing with toys, it usually means I'm working. It doesn't get much better than that!

KEEP YOUR EYE ON MEZCO'S CYCLOPS *ONE-12 COLLECTIVE* ACTION FIGURE

The first X-Men is stepping into Mezco's *One-12 Collective* line!

Cyclops, a creation of the legendary duo of Stan Lee and Jack Kirby, has long been a fan-favorite of Marvel lovers. He is also no stranger to the big screen, having made appearances in the *X-Men* film series dating back to 2000. He will also appear in the upcoming *Dark Phoenix* film in 2019.

Scott Summers, aka Cyclops, has the ability to emit energy beams from his eyes with the help of his visor, and Mezco spared no detail in depicting his powers. The figure features a light-up optic power function that illuminates his signature ruby-quartz visor, containing the uncontrollable energy blasts from his eyes. Cyclops is outfitted in his aramid fiber x-suit with a utility belt and harness, and a removable leather-like jacket.

Other accessories include combat gloves, tactical boots and interchangeable visors, heads and hands so collectors can show off their figure in a variety of poses. As with all Mezco *One-12 Collective* action figures, the box is designed for easy in-and-out display and includes a themed base and display post.

This Cyclops figure is a collectible X-Men fans will definitely have their eye on.

MARVEL: CYCLOPS ANIMATED STYLE STATUE

Cyclops is a mutant with the ability to fire force beams from his eyes. Professor Charles Xavier, who had been observing Scott's development, discovered the only way for Cyclops to control the beams is through the use of ruby quartz lenses. Professor X had some special glasses made for Cyclops and took him under his wing to train him in his powers at his special school for mutants. Cyclops is the 19th release in Gentle Giant's popular Marvel animated statues and is based on the art from *Giant Size Little Marvel AvX* comic book. Cyclops is decked out in his blue and gold X-men uniform with a cool reflective visor. The *Cyclops Statue* was digitally sculpted and carefully printed on state of the art 3D Systems 3D printers. The high-resolution prints were then used in the creation of prototypes needed to produce this animated collectible. Each animated statue is hand-cast, hand-painted, and hand-numbered with a limited edition Certificate of Authenticity. (STL105597) Scheduled to ship in June 2019. (5498/80865) (C: 0-1-2)

The regal Storm is depicted using her powers to hover over her base with her signature white Mohawk and cape blowing in the breeze. The *Storm Animated Statue* was digitally sculpted and carefully printed on state of the art 3D Systems 3D printers. To attack, you must use your attack ship to hit an opponent's ship off the planet or board. Successfully attacking an opponent will award a command point. But attacking isnt always easyplayers can add in asteroids in order to block shots and protect their ships. Your fleet can be expanded during your turn by purchasing more ships, allowing you to increase the strength of your forces and ultimately claim the planets for yourself. The game is over when a player reaches 10 command points, and that player is declared the winner.
